RE: H.C.R. No. 33
H.D. 1

Honorable Calvin K.Y. Say
Speaker, House of Representatives
Twenty-Sixth State Legislature
Regular Session of 2012
State of Hawaii

Sir:

Your Committee on Transportation, to which was referred
H.C.R. No. 33 entitled:

"HOUSE CONCURRENT RESOLUTION REQUESTING THE DEPARTMENT OF
TRANSPORTATION TO CONVENE A TASK FORCE TO EXAMINE THE IMPACT
OF ALL-TERRAIN VEHICLE ACCIDENTS ON CHILDREN,"

begs leave to report as follows:

The purpose of this measure is to request the Department of
Transportation to convene a task force to examine the impact of
all-terrain vehicle (ATV) accidents on children and to consider
possible means to minimize injuries and death suffered by children
due to the use of all-terrain vehicles.

The Queen's Medical Center and the Hawaii American Physical
Therapy Association supported the resolution. The Department of
Health supported the intent and the Department of Transportation
opposed the measure.

While your Committee understands that ATVs are relatively
safe and that a majority of those riding ATVs are safety conscious
and wear all the proper safety gear, the risk of injury to
Hawaii's children is real. Therefore it is important that steps be
taken to prevent the significant amount of health care costs
associated with ATV-related injuries and the immeasurable toll and
grief experienced by family members and loved ones of children who
suffer these injuries.

The Department of Transportation testified that because All-terrain vehicles cannot legally travel upon our public roads, this requests falls outside of their jurisdiction. Therefore your committee has amended this measure by removing the responsibility to convene the task force from the Department of Transportation, and conferring the responsibility on the Department of Health whom your committee feels is better equipped to address the issues posed by this resolution.

As affirmed by the record of votes of the members of your Committee on Transportation that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 33, as amended herein, and recommends that it be referred to the Committee on Finance in the form attached hereto as H.C.R. No. 33, H.D. 1

Respectfully submitted on
behalf of the members of the
Committee on Transportation,

JOSEPH M. SOUKI, Chair

State of Hawaii
House of Representatives
The Twenty-sixth Legislature
