

STAND. COM. REP. NO. **2366**

Honolulu, Hawaii

FEB 17 2012

RE: S.B. No. 2990  
S.D. 1

Honorable Shan S. Tsutsui  
President of the Senate  
Twenty-Sixth State Legislature  
Regular Session of 2012  
State of Hawaii

Sir:

Your Committees on Economic Development and Technology and Education, to which was referred S.B. No. 2990 entitled:

"A BILL FOR AN ACT RELATING TO ALOHA STADIUM,"

beg leave to report as follows:

The purpose and intent of this measure is to:

- (1) Require the University of Hawaii to contract with an independent third party to conduct a feasibility study to determine the effect of placing Aloha Stadium under the jurisdiction of the University of Hawaii rather than the Department of Accounting and General Services;
- (2) Require the University to report to the Legislature no later than twenty days prior to the convening of the Regular Session of 2013 on the findings and recommendations of the feasibility study; and
- (3) Appropriate \$50,000 from the stadium special fund for fiscal year 2012-2013 for the University of Hawaii to contract with an independent third party to conduct the feasibility study.

Your Committees received testimony in support of this measure from one individual. Your Committees received comments on this measure from the University of Hawaii System and the Windward Ahupua'a Alliance.

Your Committees find that, while the University of Hawaii contributes to the revenues of the Aloha Stadium, given the diversity and broad scope of stadium users it would be more productive if the feasibility study included the development of a long-range plan for Aloha Stadium. The feasibility and cost benefits of placing Aloha Stadium under the jurisdiction of the University of Hawaii would then be considered within a broader context.

Your Committees have also reviewed the recommendation that the Department of Accounting and General Services would be the appropriate agency to oversee the feasibility study, as the Department has been responsible for the stadium's construction, operations, maintenance, promotion, and management from the stadium's inception.

Your Committees have amended this measure accordingly, by:

- (1) Requiring the Department of Accounting and General Services to contract with an independent third party to develop a long-range plan for Aloha Stadium, including a feasibility study to determine the cost benefits of placing Aloha Stadium under the jurisdiction of the University of Hawaii rather than the Department of Accounting and General Services;
- (2) Requiring the Department of Accounting and General Services to report to the Legislature no later than twenty days prior to the convening of the Regular Session of 2013 on the long-range plan for Aloha Stadium, including the findings and recommendations of the feasibility study; and
- (3) Appropriating \$50,000 from the stadium special fund for fiscal year 2012-2013 for the Department of Accounting and General Services to contract with an independent third party for the long-range plan and feasibility study.

As affirmed by the records of votes of the members of your Committees on Economic Development and Technology and Education that are attached to this report, your Committees are in accord with the intent and purpose of S.B. No. 2990, as amended herein, and recommend that it pass Second Reading in the form attached

hereto as S.B. No. 2990, S.D. 1, and be referred to the Committee on Ways and Means.

Respectfully submitted on behalf of the members of the Committees on Economic Development and Technology and Education,

JILL TOKUDA, Chair

CAROL FUKUNAGA, Chair
