

STAND. COM. REP. NO.

3084

Honolulu, Hawaii

MAR 30 2012

RE: S.C.R. No. 101

Honorable Shan S. Tsutsui
President of the Senate
Twenty-Sixth State Legislature
Regular Session of 2012
State of Hawaii

Sir:

Your Committee on Health, to which was referred S.C.R.
No. 101 entitled:

"SENATE CONCURRENT RESOLUTION DECLARING THE MONTH OF APRIL OF
EACH YEAR AS AUTISM AWARENESS MONTH IN HAWAII,"

begs leave to report as follows:

The purpose and intent of this measure is to declare the
month of April of each year as Autism Awareness Month in Hawaii.

Your Committee received testimony in support of this measure
from the Department of Health, State Council on Developmental
Disabilities, Autism Speaks, Community Children's Council of
Hawaii, Autism Society, and four individuals.

Your Committee finds that the incidence of autism spectrum
disorders is increasing by ten to seventeen percent per year. The
United States Centers for Disease Control and Prevention estimate
that autism affects as many as one in every one hundred ten
children, and studies have found that over the last twelve years,
the prevalence of autism has dramatically increased by 289.5
percent. Your Committee also finds that while there is no cure
for autism, early identification allows parents to seek early
intervention services, which may spare individuals from life-long
dependency as a ward of the State. Your Committee consequently
finds that designating April as Autism Awareness Month falls in
line with National Autism Awareness Month and provides a special
opportunity for advocates and state and private agencies to
increase awareness of autism, early developmental screenings, and
early intervention services.

Respectfully submitted on
behalf of the members of the
Committee on Health,

JOSH GREEN, M.D., Chair
