

STAND. COM. REP. NO.

3429

Honolulu, Hawaii

APR 13 2012

RE: S.C.R. No. 117
S.D. 1

Honorable Shan S. Tsutsui
President of the Senate
Twenty-Sixth State Legislature
Regular Session of 2012
State of Hawaii

Sir:

Your Committee on Ways and Means, to which was referred
S.C.R. No. 117, S.D. 1, entitled:

"SENATE CONCURRENT RESOLUTION URGING THE STATE TO EXPAND THE
SCOPE OF THE COMPREHENSIVE INFORMATION SYSTEM ESTABLISHED
PURSUANT TO ACT 54, SESSION LAWS OF HAWAII 2011, TO FURTHER
INCLUDE PUBLIC FACILITIES, THEREBY CREATING A COMPREHENSIVE
ASSET MANAGEMENT SYSTEM FOR PUBLIC LANDS AND PUBLIC
FACILITIES,"

begs leave to report as follows:

The purpose and intent of this measure is to ensure that the
State gathers and maintains an accurate accounting of facilities
and lands under its control.

Specifically, the measure urges the Department of Land and
Natural Resources to:

- (1) Expand the scope of the comprehensive information system
established pursuant to Act 54, Session Laws of Hawaii
2011, to inventory and maintain information about the
lands in the public land trust described in section 5(f)
of the Admission Act and article XII, section 4, of the
Hawaii Constitution, to further include public
facilities, thereby creating a comprehensive asset
management system for public lands and facilities; and

- (2) Utilize the resources of the Department of Accounting and General Services to coordinate and develop the comprehensive asset management system.

Written comments on this measure were submitted by the Department of Land and Natural Resources.

Your Committee finds that Act 54, Session Laws of Hawaii 2011, established a comprehensive information system for public lands to inventory and maintain information relating to the public land trust, also known as ceded lands, and other state lands. The comprehensive information system is coordinated by the Department of Land and Natural Resources.

Your Committee also finds that full and optimal use of the State's lands and facilities is not being made because vital information regarding these lands and facilities is not centralized and accessible to all decision makers, thereby making it difficult to make sound economic decisions. Your Committee believes that expanding the scope of the comprehensive information system for public lands to include information on public facilities is necessary to ensure the full and optimal use of the State's lands and facilities.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 117, S.D. 1, and recommends its adoption.

Respectfully submitted on
behalf of the members of the
Committee on Ways and Means,

DAVID Y. IGE, Chair

The Senate
 Twenty-Sixth Legislature
 State of Hawai'i
