

STAND. COM. REP. NO.

3406

Honolulu, Hawaii

APR 13 2012

RE: S.C.R. No. 147
S.D. 2

Honorable Shan S. Tsutsui
President of the Senate
Twenty-Sixth State Legislature
Regular Session of 2012
State of Hawaii

Sir:

Your Committee on Ways and Means, to which was referred
S.C.R. No. 147, S.D. 1, entitled:

"SENATE CONCURRENT RESOLUTION REQUESTING THE DEPARTMENT OF
HUMAN SERVICES TO REEXAMINE THE BASIC HEALTH PLAN UNDER THE
FEDERAL PATIENT PROTECTION AND AFFORDABLE CARE ACT ONCE
FEDERAL RULES HAVE BEEN ISSUED AND TO CONSIDER AMENDING THE
FEDERAL SECTION 1115 WAIVER GRANTED TO HAWAII TO RAISE THE
MEDICAID INCOME ELIGIBILITY CEILING TO PROVIDE THE GREATEST
HEALTH CARE COVERAGE TO SERVE THE NEEDS OF HAWAII'S PEOPLE,"

begs leave to report as follows:

The purpose and intent of this measure is to request the
Department of Human Services to examine the applicability of the
Basic Health Program for low-income persons in Hawaii and
determine whether it should amend the federal section 1115 waiver
to increase Medicaid income eligibility.

Your Committee finds that the federal Patient Protection and
Affordable Care Act offers states the option to implement a Basic
Health Program that would expand health coverage for certain low
income persons who are not eligible for Medicaid. Your Committee
also finds that a Basic Health Program also offers an opportunity
for the State to receive financial support from the federal
government for this public health program. However, complete
federal guidance on the administration of a Basic Health Program
is not yet available, and many questions remain unanswered before
the State may make an informed decision whether to create such a
program.

SCR147 SD2 SSCR LRB 12-2571.doc

Accordingly, your Committee believes that the Department of Human Services should evaluate whether a Basic Health Program would be appropriate and effective for Hawaii once federal guidance is available. Your Committee also believes that the Department should consider the costs and benefits of amending the federal section 1115 waiver to raise the Medicaid income eligibility ceiling to provide the widest health care coverage.

Your Committee has amended this measure by:

- (1) Changing references to the "Basic Health Plan" throughout the measure, including the title, to "Basic Health Program" to conform with the federal Patient Protection and Affordable Care Act; and
- (2) Making technical nonsubstantive amendments for the purpose of style.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 147, S.D. 1, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 147, S.D. 2.

Respectfully submitted on
behalf of the members of the
Committee on Ways and Means,

DAVID Y. IGE, Chair

The Senate
Twenty-Sixth Legislature
State of Hawai'i
