SCR170 SD1 SSCR LRB 12-2532.doc

Your Committee finds that the County of Maui is in need of modernized and expanded correctional facilities to meet its current correctional needs. Your Committee further finds that the most economically efficient way to achieve the needed construction of a new correctional facility is for the Department of Public Safety to enter into a public-private partnership for the planning, design, construction, turnkey, and financing of a new Maui Regional Public Safety Complex in the Puunene, Maui region.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 170, S.D. 1, and recommends its adoption.

Respectfully submitted on
behalf of the members of the
Committee on Ways and Means,

DAVID Y. IGE, Chair

The Senate
Twenty-Sixth Legislature
State of Hawai'i
