RE: Hawai'i Health Connector Board

Dear Senator Baker:

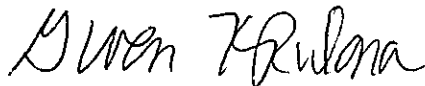

Mahalo for taking the time to look at my resume and personal statement on why I would be good for the Hawai'i Health Connector Board. United Food & Commercial Workers International Union is very interested in any and all health care laws that are passed throughout the United States and I would be able to get any information that maybe helpful in securing Health care for all. To my understanding, this Board is to comply with requirements of the federal Patient Protection and Affordable Care Act of 2010. We are to make sure that we do not change/alter the Pre-Paid Laws. I would also make sure that the Taft Hartley Plans are not tampered with.

I would love to be a member of the Health Connector to give the workers a voice on what will happen with their health care throughout our State. I represent the working person and I am passionate that I will be able to help and have input in this very important Board. I am currently on the Interim Board and am a Trustee on the UFCW Employers Health & Welfare Trust Fund.

I am looking forward to meeting with you.

Thank you again.

Sincerely,

A handwritten signature in cursive script that reads "Gwen K. Rulona".
