Re: GM 831 Submitting for consideration and confirmation to the contractors Licensing Board, Gubernatorial Nominee, Tyrus Kagawa.

Aloha Chair Baker and Vice-Chair Taniguchi and members of the committee,

My name is Reginald Castanares Jr., the Business Manager of the Plumbers and Fitters Local 675. I represent the 1300 active and about 600 retirees of Local 675.

Tyrus Kagawa is currently serving as the Vice-President of the Plumbers and Mechanical Association of Hawai'i, (PAMCA).

Mr. Kagawa is the Vice President for Oahu Plumbing and Sheetmetal Ltd. Their services include plumbing, air conditioning, fire protection, custom sheet metal fabrication & installation, architectural flashing, louvers, metal roofing, metal sidings, and industrial piping fabrication & installation.

I believe Mr. Kagawa has the qualifications and integrity to be an asset on the State Contractors Licensing board.

I therefore support GM 831 and ask for a favorable consideration and confirmation of Mr. Tyrus Kagawa.

Respectfully Yours,

Reginald Castanares Jr.
Business Manager
