Subject: Nomination to the Statewide Health Coordinating Council : Fred Shaw

Dear Senator Green:

I would like to strongly encourage your consideration of Frederick Shaw for an appointment to the Statewide Health Coordinating Council.

I have worked with Fred for over seven years at Kaiser Permanente.

Fred is an excellent analyst, and a great colleague. I also consider him a great friend too.

Fred is very sharing, chairing and contributing to the Analyst Learning Sessions; training other analysts, freely sharing his knowledge with others.

Fred is also a great team player; in fact, he is the best I know of. He is the person that steadies the boat in rough seas. When things go wrong, Fred helps bring focus back to getting the job done, away from road blocks. I often rely on Fred to see me through frustrating circumstances at work. I feel lucky to have him as a colleague.

Again, I hope you give Fred strong consideration.

Sincerely,

William C Wells, Ph. D

RE: In support of GM 890 Frederick Shaw for Statewide Health Coordinating Council

Dear Senator Green,

It is with pleasure that I recommend Frederick Shaw for appointment to the Statewide Health Coordinating Council. Fred has been a senior medical economics analyst at Kaiser Permanente Hawaii since 2000.

In addition, Fred has worked in information technology and finance positions at AlohaCare, Hawaii Medical Service Association and for ten years with the Waianae Coast Comprehensive Health Center. He was the vice president of the Waianae Coast Community Mental Health Center and a board member for the Waianae Coast Coalition for Human Services. As a resident of Waianae he has also served multiple terms on the West Oahu Subarea Health Planning Council.

He brings with him experience from a variety of health care settings that help to inform his decisions and recommendations as a council member. He is both details oriented and capable of understanding the larger framework into which proposed health care programs fit. Fred is a well liked and trusted colleague who is frequently sought out for his advice. He will be an asset to council.

I urge the committee and the senate to confirm the appointment of Frederick Shaw for the Statewide Health coordinating Council. Thank you for your consideration.

Sincerely,

Chair Green and members of the Committee,

Thank you for the opportunity to provide testimony on Frederick Shaw. I support, without reservation, the nomination of Frederick Shaw to the Statewide Health Coordinating Council.

I have known Fred for more than 10 years. We previously worked together at Kaiser Permanente Hawaii. Over the last several years we have served together on Certificate of Need hearings, and in Statewide Health Coordinating Council meetings.

Fred is thoughtful, reasonable, and responsible. He shows up. He participates. He cares about health care in our State. Particularly with a young family, he cares about the services and facilities which need to exist here in the future. I fully support his nomination to serve a full term on the Statewide Health Coordinating Council.

Sincerely,

Keith Lee

I am writing in support of Fredrick Shaw's appointment to serve on the Statewide Health Coordinating Council. Fred has worked in my department since 2000, and I can speak towards his dedication and quality work in the area of analytics for Kaiser. Fred is also knowledgeable about the health care community as reflected in his prior roles and experience serving on the West Oahu Subarea Health Planning Council since 2005.

Having served on the Certificate of Need board myself, I understand the need to have members who are able to do their due dilligence to conscientiously understand the issues and relate proposals to the H2P2 requirements. Fred will serve well.

If there is any other information I can provide, please do not hesitate to ask.

Mahalo,

Don
