As the manager of Island Insurance's Risk Control Department and the ASSE (American Society of Safety Engineer) Hawaii Chapter's – Safety Professional of the Year, I was happy to learn that Dr. Walter Chun has been nominated by Governor Abercrombie to the public position on the Pest Control Board. I have had the pleasure of working with Dr. Chun for several years in various public service organizations and he has been an asset to our efforts to improve the safety and health of workers in Hawaii in many ways. His expertise and assistance helped to bring about improvements in the way safety and health activities are implemented in an organizational environment and has brought about positive improvements in our community regarding the protection of people and the environment.
