Chair Oshiro and Members of the Committee:

The Department of the Attorney General supports this bill.

The purpose of this bill is to appropriate funds to satisfy claims against the State, its officers, or its employees, including claims for legislative relief, judgments against the State, settlements, and miscellaneous claims.

The bill in its present form contains ten claims that total \$1,711,253.71. Eight claims are general fund appropriation requests and two claims are appropriation requests from departmental funds. Attachment A provides a brief description of each claim in the bill.

Since the bill was introduced, five new claims have been resolved for an additional \$391,227.57 and a previous claim already on the bill, United Public Workers AFSCME, Local 646, AFL-CIO and State of Hawaii, S.P. No. 09-1-0305, was increased from \$10,524.01 to \$18,851.12 when \$8,327.11 was later awarded for additional fees and costs. The five new claims are general fund appropriation requests. Attachment B provides a brief description of the new claims in the bill. We request that the Committee amend the bill to appropriate funds to satisfy the new

claims and to increase the amount in the previous claim as described above.

Including the new claims, the appropriation requests total \$2,110,808.39 allocated among fifteen claims. Of this total, \$980,808.39 consists of general fund appropriation requests and \$1,130,000.00 consists of appropriation requests from departmental funds.

The Department has had a longstanding policy of advising agencies as to how to avoid claims such as those in this bill. The Department has also complied with section 37-77.5, Hawaii Revised Statutes, which requires the Attorney General to develop and implement a procedure for advising our client agencies on how to avoid future claims.

We respectfully request passage of this measure.

**Civil No. 07-01-206K, Third Circuit**                      **Settlement**

A student at Konawaena High School injured his eye in the auto shop class. The teacher was removing a metal cap of a universal joint from an automobile drive shaft with the use of an air powered wrench. The metal cap broke and a portion of the metal cap was propelled into the student's eye. The student was not wearing any eye protection. The student sustained a lacerated cornea which, to date, has required two surgeries and three laser procedures. Although a corneal transplant may theoretically be available to treat the scar in the middle of the student's field of vision, the recovery period after surgical implantation is two years and its outcome is uncertain. The student has incurred medical bills of \$27,000. The case proceeded to the Court Annexed Arbitration Program, and the

arbitrator awarded the student \$168,750.00. The case later settled for \$135,000.00

**HAWAII HEALTH SYSTEMS CORPORATION:**

**United Public Workers AFSCME, Local 646, \$ 18,851.12 (General Fund)**  
**AFL-CIO and State of Hawaii, et al. Judgment**  
**S.P. No. 09-1-0305, First Circuit**

In 2009, the United Public Workers (UPW) and several public employers were in negotiations regarding the terms of the collective bargaining agreement for Bargaining Unit 10 beginning July 1, 2009 to June 30, 2011. The public employers were the State of Hawaii, the Judiciary, the Hawaii Health Systems Corporation, and the City and County of Honolulu. When an impasse in the negotiations was reached, the parties proceeded to an interest arbitration to resolve the disputes regarding the terms of the successor agreement pursuant to H.R.S. Chapter 89. In November 2009, the interest arbitration was completed. On January 14, 2010, the interest arbitration award was issued to the parties.

On February 19, 2010, the UPW filed motion for an order confirming the interest arbitration award and for entry of judgment in the First Circuit Court. This department opposed the motion because under HRS § 89-11(g) the award is final and binding on the parties and the statute contemplates that the Legislature retains the power to approve any cost items contained in the award. On April 14, 2010, a hearing was held on the motion. At the hearing, the Court granted the motion and allowed the UPW to later file motion for fees and costs as the prevailing party on its motion.

On May 11, 2010, the UPW filed its motion for fees and costs. On September 13, 2010, the Court filed Order Granting Motion for Allowance of Costs and Attorney's Fees. The Court awarded \$417.69 in costs and \$9,748.69 in attorney's fees and later awarded additional costs and fees in the amount of \$8,327.11. The amount requested includes post-judgment interest.

Plaintiff was previously employed as a Cafeteria Cook II at Keaukaha Elementary School on the island of Hawaii.
