Comments:

Madam Chair and Members of the Culture and The Arts Committee:

Aloha, my name is Lee McIntosh. I live in Kau on the Big Island. I am not in favor of HB 1124, which designates August 4 as President Barack Obama Day. I believe that it is premature to introduce this bill. The Legislature should wait until President Obama has completed his term before addressing this matter. Until then, Presidents' Day is sufficient enough in honoring President Obama. Thank you for the opportunity to testify on HB 1124.
