E kala mai! I realize that this testimony is LATE, however, that being said, on behalf of the residents of the Ahupua'a o Kahana, Kahana Community Association, Friends of Kahana, I/WE are in strong support of HB 1154. This bill will help protect and save our natural resources and get local people involved in government. It's important that representation from each ahupua'a be recognized, and that each community work together to protect our ahupua'a's... from da mountains to the seas. MAHALO!
