**HB 1927 – Campaign Spending Commission Law**

TESTIMONY

Nikki Love, Executive Director, Common Cause Hawaii

---

Chair Hee, Vice Chair Shimabukuro, and Committee Members:

**Common Cause Hawaii supports HB 1927**, which changes the date of campaign spending reports.

This change is necessary due to the new earlier Primary Election date in August 2012. Moving up the deadline for the first preliminary report is important to ensure disclosure and transparency, and avoid the redundancy of having two reporting deadlines only one day apart.

Mahalo for the opportunity to submit testimony.
