Re: HB1932 Thursday, February 2, 2012, 8:30 a.m. Room 329

Testimony in SUPPORT with amendments

Dear Chair Mizuno, Vice Chair Jordan, and members of the House Committee on Human Services:

I am writing to express my support for HB1932, which establishes that every judgment for child support is enforceable until paid in full. I would also like to express my support for HB2332, which establishes civil fines for an employer's failure to comply with an income withholding order for child support. Please amend HB1932 and include the contents from HB2332.

There is a need for accountability at every level regarding the collection and disbursement of child support in this state. Combining HB1932 and HB2332 will be an important start in the right direction in ensuring the protection of those receiving child support in Hawaii.

Please pass HB1932 with the added language from HB2332.

Sincerely,

Kalma K. Wong
