In consideration of
HOUSE BILL 1972
RELATING TO A HISTORIC PRESERVATION

House Bill 1972 allows the State Historic Preservation Division (SHPD) of the Department of Land and Natural Resources (Department) to set fees for services provided by the Division, and for archaeological permits, as long as fees, donations, fines and other income do not exceed the operating expenses of the Division. The Department supports this bill as it allows SHPD to set fees deemed reasonable to partially defray the expenses of the Division.
