Committee on Judiciary and Labor

HB 2099 HD1 Relating to Workers' Compensation

I am here to testify in support of HB 2099 HD1. HB2099 HD1 clarifies that attorney's fees may be included in costs that may be assessed against a party who brings, prosecutes, or defends a workers' compensation claim without reasonable ground. This will help stop frivolous claims and appeals from being filed.

I ask for your passage of this legislation.
