Committee on Labor and Public Employment

HB 2099 Relating to Workers' Compensation

I am here to testify in support of HB 2099. With the increase in fee schedule there will be an increase in the amount of physicians that will participate in the area of workers compensation injury. In Hawaii we are short over 600 physicians and in the area of workers' compensation that has been exacerbated.

I ask for your passage of this legislation.

George Waialeale
