

TESTIMONY BY KALBERT K. YOUNG  
DIRECTOR, DEPARTMENT OF BUDGET AND FINANCE  
STATE OF HAWAII  
TO THE HOUSE COMMITTEE ON FINANCE  
ON  
HOUSE BILL NO. 2493, H.D. 1

March 1, 2012

RELATING TO COLLECTIVE BARGAINING COST ITEMS

House Bill No. 2493, House Draft 1, establishes public employer contribution amounts for plan years 2011-2012 and 2012-2013 for Hawaii Employer-Union Health Benefits Trust Fund (EUTF) premiums for public officers and employees pursuant to Section 89-11(g), HRS, due to an impasse in negotiations with the exclusive representative of bargaining unit 9 (registered professional nurses).

The Department of Budget and Finance supports this measure.

Under the binding arbitration provisions of Chapter 89, HRS, Collective Bargaining in Public Employment, public employer contributions for EUTF benefits are not determined by an arbitration panel. Contributions are determined by either: 1) an agreement reached separate from the arbitration decision; or 2) if no agreement has been reached within ten working days after the arbitration decision has been issued, then the public employers and the respective union each submits its recommendations for contributions directly to the Legislature for legislative determination and enactment.

Currently, the public employers and the Hawaii Government Employees Association (HGEA), the union representing bargaining unit 9, are at impasse. While an arbitration hearing has not yet been scheduled, it is anticipated that no agreement will be reached on EUTF contributions.

Thank you for the opportunity to testify.
