MEMORANDUM

TO: The Honorable Suzanne Chun Oakland, Chair
Senate Committee on Human Services

FROM: Patricia McManaman, Director

SUBJECT: **H.B. 2539, H.D. 1 - RELATING TO ADULT ABUSE PERPETRATOR
CHECKS FOR CHILD CARE PROVIDERS**

Hearing: Tuesday, March 13, 2012; 1:15 p.m.
Conference Room 016, State Capitol

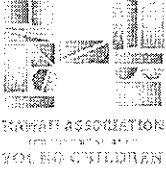

PURPOSE: The purpose of H.B. 2539, H.D.1 is to allow the Department of Human Services (DHS) to conduct adult abuse perpetrator checks on child care providers who are exempt from licensing and registration pursuant to section 346-152, Hawaii Revised Statutes, who care for children that receive child care subsidies from the department, and on prospective applicants and licensed child care providers.

DEPARTMENT'S POSITION: The Department of Human Services strongly supports this Administration bill. DHS is responsible for ensuring the safety and health of children both in regulated settings such as licensed child care centers and for child care providers who care for children that receive child care subsidies from the Department.

This bill will allow the Department to conduct a more thorough check on the character of the individuals who are working directly with children in licensed and legally exempt settings by identifying individuals who have a history of maltreatment of vulnerable individuals.

There are no differences between H.B. 2539, H.D. 1 and its companion, S.B. 2801.

Thank you for the opportunity to provide testimony on this bill.
