475 22<sup>ND</sup> AVENUE, RM. 211  
HONOLULU, HAWAII 96818

Since 1988 the students of Hawaii have had a student representative on the State of Hawaii Board of Education. For 22 years the Board of Education Student Representative has fulfilled the same responsibilities as all other Board of Education Members. The November 2010 State election changed the Hawaii Constitution and created an appointed BOE which also deleted the Student Representative from the Board of Education. ## Keep A Student Representative On The Appointed Board of Education With Voting Rights

Since 1988 the students of Hawaii have had a student representative on the State of Hawaii Board of Education (BOE). For 22 years the BOE student representative has fulfilled the same responsibilities as all other BOE members. Therefore, we the undersigned, support a student representative on the appointed BOE with voting rights on all education matters except personnel issues.

**HAWAII STATE STUDENT COUNCIL**

475 22<sup>ND</sup> AVENUE, RM. 211  
 HONOLULU, HAWAII 96818

Since 1988 the students of Hawaii have had a student representative on the State of Hawaii Board of Education. For 22 years the Board of Education Student Representative has fulfilled the same responsibilities as all other Board of Education Members. The November 2010 State election changed the Hawaii Constitution and created an appointed BOE which also deleted the Student Representative from the Board of Education. Therefore, we the undersigned, support the preservation of a Student Representative on the Hawaii Board of Education with partial voting rights.
