Testimony in Support of HCR 18

To: Representative Jessica Wooley, Chair
Representative Della Au Belatti, Vice Chair
Members of the House Committee on Culture and the Arts

From: Catherine Betts, Esq., Executive Director, Hawaii State Commission on the Status of Women

Re: Testimony in Support of HCR 18

On behalf of the Hawaii State Commission on the Status of Women, I would like to thank the committee for this opportunity to provide testimony on this important issue. I would like to express my strong support of this resolution requesting that Hawaii's congressional delegation support the efforts of the National Women's History Museum.

As the resolution notes, there are many museums dedicated to various historical movements and events, but no national museum exists that is dedicated solely to women's history. Establishing a presence near National Mall would ensure that women's historical sacrifices and contributions remain visible and relevant to our younger generations. The Commission strongly urges this Committee to pass HCR 18.

Thank you for this opportunity,

Catherine Betts, Esq.
