Of course I support a 'flag' for the veterans - but I would like for the Legislators to do a bit more. They need better care after they leave the service; is there a way to identify veterans who are homeless and create housing opportunities for them? I feel it is unAmerican to allow vets to live on the streets. And..... I am tired of hearing from the wonderful community that all these men and women are homeless veterans by choice - and that they looooooove to live out of doors on the sidewalks and that they are all druggies and alcoholics. I refuse to put all of these people in the same rotten category.

Comments:

The Maui County Veterans Council representing the approximate 12,000 Veterans in Maui County is opposed to adding a new flag. We feel that 'Old Glory' and the POW/MIA flags are enough. Any more waters down the effects in general. In specific the proposed flag appears to be a take off of the Chinese Yellow Star Flag. YELLOW is not America's soldiers color. We are True BLUE, with a 'pure' purpose ready to give our RED blood to the cause of America's freedom! YELLOW? WE think NOT! Please oppose this bill. Paul Laub, President, Maui County Veterans Council
