

TESTIMONY IN SUPPORT OF HCR3 & HR21

I support HCR3 & HR21 to recognize a memorandum of agreement and cooperation between the state of Hawaii and the League of Cities of the Philippines.

The League of Cities of the Philippines (LCP) represents all urban area Mayors in the Republic of the Philippines. To date, we have confirmed 21 Mayors and 20 Council Members of the Philippines coming to Hawaii for a conference.

I have attached copies of documents which displays the events and focus of the League of Cities of the Philippines conference in Honolulu, Hawaii from Feb. 28, 2012 to March 2, 2012.

Please note that I am providing this testimony not in my capacity as a Legislator, but as a private citizen (although my participation with many of the events with LCP will be in my capacity as a Legislator).

Sincerely,

John M. Mizuno

League of Cities of the Philippines Organizational Profile

The League of Cities of the Philippines (LCP) is the official organization of Philippine cities. The official representatives of the cities are their respective city mayors. The Local Government Code of 1991 (RA 7160), in section 499, states that, *"There shall be an organization of all cities to be known as the League of Cities for the purpose of ventilating, articulating, and crystallizing issues affecting city government administration and securing through proper and legal means solutions thereto."*

LCP Vision

By 2016, Philippine cities are engines of sustainable development, champions of good urban governance, and catalysts for nation building, committed to the improvement of the quality of life of their constituents.

LCP Mission

The League of Cities of the Philippines will serve as the unified voice of cities advocating policies for continuing autonomy; promoting capacity building and best practice sharing; and strengthening internal and external linkages to lift the nation out of poverty.

HOUSE OF REPRESENTATIVES

STATE OF HAWAII
STATE CAPITOL
HONOLULU, HAWAII 96813

January 23, 2012

The Honorable Amadeo Gregorio Perez IV
Mayor
Urdaneta City, Province of Pangasinan
Republic of the Philippines

Dear Mayor Perez,

We are writing to personally invite you and your staff to the 26th Hawaii State Legislature to attend the upcoming League of Cities of the Philippines Conference to be held in Hawaii from February 27, 2012 - March 7, 2012.

The State of Hawaii shares common goals with the Philippines in fostering strong and effective local governments, promoting and maintaining friendships, as well as learning and sharing social and economic opportunities that benefit cities in the Philippines and Hawaii.

One of the purposes of the Conference is to further strengthen these goals by signing a Memorandum of Understanding and Cooperation between the League of Cities of the Philippines and the State of Hawaii. With the support of the Hawaii State Legislature, we hope to convene a Special Legislative Session to commemorate this historic event.

In addition, we also introduced House Concurrent Resolution (H.C.R.) No. 3, which will be heard during the 2012 Legislative Session. The resolution recognizes the significance of the memorandum of understanding and the important role of the League of Cities of the Philippines in promoting international friendship and seeking opportunities of cooperation in the fields of economics, trade, tourism, culture and the arts, human services, juvenile justice, and disaster preparedness.

We will be holding forums on three areas of interest to the Republic of the Philippines and to the State of Hawaii, namely: 1) "best practices" in addressing Disaster Preparedness; 2) Tourism; and 3) Juvenile Justice and Human Services. These three areas were discussed at various meetings between the League of Cities of the Philippines, the Governor of the State of Hawaii, and other elected officials from Hawaii.

Invitation to the LCP Delegates

During the week-long conference, the delegates will also have a chance to experience our Aloha with planned visits to historic Pearl Harbor, the Polynesian Cultural Center, Hawaii State Capitol Building, the Hawaii Convention Center, and other key historic sites. Various receptions are also being planned in your honor at the Capitol, the Philippines Consulate General's Office, and other venues to be hosted by the Filipino organizations of Hawaii.

Again, on behalf of the 26th Legislature of the State of Hawaii, we formally invite you to participate in this major endeavor between Hawaii and the League of Cities of the Philippines. We eagerly await your arrival and look forward to personally working with you to build a rock solid foundation between us.

Please feel free to contact us if you have any question or need more information.

FROM: Shan S. Tsutsui 
President of the Senate

RE: Request to Hold a Joint Floor Session

Thank you for your request, dated February 3, 2012, to hold a special joint session on March 1, 2012 to receive messages from the President of the League of the Cities of the Philippines and Governor Abercrombie and to approve a Memorandum of Understanding and recognize the 26 visiting mayors from the Philippines. While the Senate can appreciate your enthusiasm in wishing to recognize these individuals and continue favorable relations with the mayors of the Philippines, we do not believe that a special joint session is warranted at this time.

As there has been no clear direction from House leadership to hold such a session, as we are currently in the midst of a busy time during the session, and to strictly maintain the convening of joint sessions for limited, extraordinary circumstances, your request is respectfully declined.

Thank you for your time and understanding. Please feel free to contact me with any questions.

Aloha Max,

It was great talking to you today. We are looking at about 40 mayors from the "League of Cities of the Philippines" coming to Hawaii in the last week of February 2012.

Could you help us with possible/estimated costs for hotel rooms per night (between 4 to 6 night stay) & a bus for about 40 to 50 passengers.

Christine Sabino is working on the upcoming conference for the League of Cities of the Philippines conference in Hawaii.

We will be holding forums and seeking to have a signing of a memorandum of agreement between Hawaii and the League of Cities of the Philippines. I am working with Speaker on a joint floor session for the event.

We are also working on having our Filipino Organizations hold several receptions for our Mayors.

Dear Representative Brower and Representative Mizuno,

Happy new year and warm greetings from Manila.

As discussed before our lunch meeting, please find attached the organizational profile of the League of Cities of the Philippines. For additional reference, I have also attached the strategic roadmap that LCP adheres to.

The LCP Secretariat has already released a memo to its members regarding the possible sisterhood agreement and the related activities. We are already receiving confirmations of interest in the trip, and I (or Mr. Paulie Mora) shall immediately forward the list of confirmations (once completed) to facilitate official letters of invitation that will be coming from your end.

I hope the attachments are in order, Sirs. If you have additional questions, please do not hesitate to get in touch.

Best regards,

Jeremy

Dear Representative Brower and Representative Mizuno,

Good day and Happy New Year!

First and foremost, my humble thank you for visiting LCP, particularly our leaders, Mayor Oscar Rodriguez, Mayor Hernani Braganza, and Mayor Del de Guzman. I believe the meeting was successful in identifying the next steps that should be taken in preparation for LCP's visit next year. For your perusal, I have summarized some of the key points of our discussion. If I missed anything, please let me know.

Also, copied in this email are Ms. Marie Yvette Yap and Mr. Jaime Paolo Mora, respectively the Deputy Executive Director for Policy, Programs, and Projects and the Unit Head for Marketing, Advocacy, and Networking. They will also be providing assistance in all the preparatory work necessary to make the trip and our sisterhood a success.

Key Thematic Points of the 21 December 2011 Meeting

1. Date of the Visit
 - Last week of February 2012
 - The total duration of the visit (including arrival and departure) may be between 7-10 days
 - It was agreed that the formal events (sisterhood signing, courtesy calls, etc.) should be "frontloaded" into the first few days
2. Proposed Key Activities (This is to be further firmed up through regular communications)
 - Sisterhood signing in the State Capitol
 - Courtesy calls (Hawaii Governor and Honolulu Mayor)
 - Knowledge Sharing Activities
 - : City to City workshops
 - : Visits to government institutions (responsible for disaster preparedness, tourism, etc.)
 - : Visits to educational institutions for possible parallel sisterhoods between schools
 - : LCP - Hawaii - UNISDR workshop on Disaster Risk Reduction and Management
 - : Cultural tours
 - Filipino community events
3. LCP To-Dos
 - Do a survey to find out the number of interested member mayors and US Visa requirements (to be released this week)
 - Coordinate with government departments for possible support (also to find out if there are department Secretaries who may want to join)
 - Coordinate with private sector and corporate groups (particularly those with presence in Hawaii) for possible support
 - Coordinate with UNISDR for possible joint activity

- Scout for possible Filipino entertainers that may be brought to Hawaii for events with Filipino communities (look for sponsors)

4. Hawaii To-Dos

- Coordinate with LCP for required letters for US Visa processing
- Coordinate with LCP for possible Hawaii accommodations for LCP (if possible, near the state legislature)
- Facilitate LCP's contact with Hawaii Filipino community representatives (government and associations)
- Coordinate with Hawaii Filipino communities for community sponsored events
- Arrange courtesy visits in government and educational institutions
- Arrange and coordinate for Knowledge Sharing activities
- Arrange sisterhood signing requirements

Recognizing the requirements of our timeline, LCP will try to submit at the soonest possible time, the potential list of mayors (and support staff) that will be making the trip. We will also furnish as soon as possible the US Visa requirements of mayors and support staff.

Thank you again and hoping for you a peaceful New Year.

Best regards,

Jeremy
