

# LATE TESTIMONY

My regrets to the committee that I could not be present,

I would like to thank the committee for considering this bill before it.

My name is Reef Maku'e, a Deputy Sheriff with the Dept. of Public Safety, assigned to the Executive Protection Section and I pledge my support for Bill SB 10.

I believe this Bill will address the operating deficiencies of the Department of Public Safety, more specifically the Sheriff's Division.

In short, I encourage this committee to please move this Bill forward.

Mahalo,

Reef Maku'e

**Comments:**

i am a deputy sheriff, and we have many operational deficiencies to due lack of funding. many complain about sheriffs not doing their jobs, they have to call hpd to do it for them, that is caused by lack of funding; we don't have the equiptment we need to do the job we were sworn to do. alot of us want to do the job we joined to do but we are very limited in our everyday duties. we need to have alot of our operational structure upgraded, we have to much old school mentality. please pass this bill, mahalo.
