**Testimony in SUPPORT of SB1337**

Tuesday – February 1, 2011

3:00 pm

Honored Senators and Legislators,

Senate Bill 1337 is extremely vital to the cattle and other livestock industry. If Hawaii is to move forward in gaining independence from huge protein imports from the mainland, then this financial support will be a vital step towards that goal.

Reducing protein imports will help Hawaii's economy by generating employment, ensuring food safety through USDA meat inspection, promote fresh local products, and increase Hawaii's food self sufficiency.

Thank you for your consideration,

Calvin Wong, President  
Wong's Meat Market, Ltd.
