**Comments:**

I am a birthmother who reunited with my child in 1982. Although we have had both good times and bad times over the past 18+ years, as with most relationships, I have no regrets about making the decision to search for my child. I believe that ALL adult adoptees should have the right to view their adoption records, if they wish to do so. I am hoping that SB1510, the bill for open records, will be passed. Thank you.
