RE: Testimony in SUPPORT of SB1522; Relating to Dogs

Submitted by: Inga Gibson, Hawaii State Director, The Humane Society of the United States, P.O. Box 89131, Honolulu, HI 96830, igibson@hsus.org, 808-922-9910

On behalf of our more than 49,400 members and supporters in Hawaii, we thank the Committee for considering this important measure to protect both dogs and consumers. Our organization has been involved in efforts in sixteen states that have passed similar laws in the past 2 years to prevent the cruel treatment and exploitation of dogs, where sadly, profit is all too often put above welfare. .

Animal Welfare Concerns: Dogs at puppy mills, also known as large scale commercial breeding operations, typically receive little to no medical care, often live in squalid conditions with no exercise, socialization or human interaction and are confined inside cramped wire cages for life. Breeding dogs must endure constant breeding cycles and are typically confined for years on end, without ever becoming part of a family. The breeding “stock” live their entire lives confined to small cages, devoid of human companionship. They are often victims of filth, inadequate shelter, overcrowding, and insufficient food and water. They are bred repeatedly and often receive little or no veterinary care.

Furthermore, many of these large-scale dog breeding operations continue to produce litter after litter of puppies, exacerbating the pet overpopulation crisis; contributing to increased euthanasia rates at local animal shelters and increasing animal care and control costs to taxpayers.

Consumer Protection Concerns: Dogs from these large-scale breeders are often sold in pet stores, online, via newspaper ads and in some cases directly to consumers with little or no regard for the dog's health, genetic history or future welfare. Puppies are often taken from their mothers for sale to pet stores at approximately 8 weeks of age, when they are highly susceptible to contagious diseases such as parvovirus and are very sensitive to behavioral stress. Poor breeding practices can also lead to serious genetic problems such as hip dysplasia—an often painful and crippling disorder.

In addition, many unknowing consumers also purchase dogs with “Registry Papers” thinking that this ensures the health or temperament of the dog they are purchasing. However, the American Kennel Club (AKC), by its own admission, has stated that AKC papers, “in no way indicate the quality or state of health of the dog.” No one should believe a dog is well-socialized, genetically sound, or healthy simply because he or she comes with registry papers. In several states, laws even mandate that consumers must be told that these registry papers do not guarantee health or even lineage. Unfortunately, consumers mistakenly believe that a high price for a dog means that the dog is healthy and well-socialized,

Again, we urge your support of SB1522 and these most basic requirements to better protect dogs and consumers alike.

Comments:

Dear Chairman Hee, Vice Chair Shimabukuro and the Committee on Judiciary and Labor,

My name is Theresa Donnelly, and I am urging you to pass SB 1522, pertaining to commercial dog breeding. I am the secretary of Boxer Club of Hawaii, a club founded in 1946 affiliated with the American Boxer Club and the American Kennel Club. For the last three years, I have consulted with hundreds of people looking to own a Boxer puppy. It saddens me to think there are no common-sense regulations in Hawaii to ensure the quality of dogs. Hawaii's strict quarantine laws make breeding purebred dogs a profitable business with the average Boxer puppy costing between \$1200 to \$1500 dollars. Boxer litters, like many other breeds, yield five to eight puppies. For someone looking to make fast cash with absolutely no oversight, breeding dogs is a very lucrative venture.

Selling unhealthy dogs is not only an animal welfare issue, but it destroys the breeding profession as a whole by allowing anyone to profit off the suffering of defenseless animals.

The majority of "breeders" in Hawaii are not reputable show breeders, who care deeply about where their dogs end up, and are NOT who this bill will target. Reputable breeders make no money off their animals because of voluntary breed health testing, medical bills, supplies and confirmation shows which demonstrate the quality of their stock.

I own a male Boxer that I have bred twice. I would gladly obtain a permit and be subject to unannounced inspections in my home. This would raise the level of care for all of our dogs and dissuade unscrupulous people looking to profit off animals by raising them inhumanly in sub-standard conditions.

SB1522, SD1, Relating to Dogs
JDL; Chair, Sen Hee

STRONG SUPPORT WITH AMENDMENT (below)!

Our community has had so many incidents of breeder abuse of dogs that this bill is long overdue. Please pass this bill in order to protect hundreds of innocent dogs from the selfish abuse by unscrupulous breeders.

Fortunately, not all breeders are unscrupulous. Many would never consider abusing their dogs with sub-standard accommodations and multiple breedings each year. They will not be testifying against this bill!

The breeders who WILL be opposed, however, are the ones who can be so cruel and callous as to ignore basic rights that all people who love their animals would never engage in, such as cramped, inhumane living arrangements and multiple breedings per year until a dog's health and welfare is destroyed.

Some of these breeders will claim that this bill is violating their rights. Here are the "rights" they want to preserve: The right to abuse their animals, the right to make money from their animals without paying the taxes, the right to thumb their noses on honest and conscientious breeders and all other folks who are willing to follow the law and also to not abuse others when the law is unclear.

AMENDMENT:

There is no justification whatsoever in limiting this bill to large breeders with dozens of dogs. The size limitation will be seen by smaller breeders as a license to mistreat animals and the tax laws. In fact, there are very few breeders that have as many female dogs for breeding; therefore, this bill, though well-intentioned, will have almost no impact.

Please amend this bill to include all people who breed dogs for sale. Only then will we have the ability to stop widespread abuse.

Thank you for supporting this bill.

Please **SUPPORT SB 1522** to regulate large scale dog breeders who often put profit over welfare. To prevent suffering and the poor conditions found at puppy mills, large-scale dog breeders should be eliminated or licensed and monitored to comply with basic humane care and housing standards.

Dear Honorable Chair Sen. Hee, Vice Chair Sen. Shimabukuro, and Committee Members:

I fully support SB1522. The welfare of animals is very important. These animals are unable to speak for themselves, and we must ensure their well being. We must recognize and view them as beings whose lives are as precious to themselves, as humans view their own lives as precious to themselves. Also, the staggering numbers of animals being euthanized annually is a serious problem and we must change our perception of animals as being so disposable, and learn to be fair towards living beings.

Dear Sirs:

I strongly support SB 1522SD1 RELATING TO LARGE SCALE DOG BREEDING.

Eventually, I would love to see laws in place against ANY and ALL types of dog breeders, not just those as outlined in this bill as "any business operation with 20 or more breeding females; or 30 breeding dogs of either gender; or an operation that sells 25 or more puppies a year". However, this bill is a wonderful start.

I urge you for your favorable vote, in support of this bill.

Mahalo,

Dear Honorable Chair Hee, Vice-Chair Shimabukuro, and Committee Members:

Please **SUPPORT SB 1522** to regulate LARGE SCALE dog breeders. These businesses exist purely to make a profit at the expense of dogs.

To prevent suffering and poor conditions, large-scale dog breeders should be licensed and comply with basic humane care and housing standards.

If a breeder continuously breeds the same female, her offspring will be sickly, and if dogs are interbred, there will undoubtedly be serious health and genetic issues with the puppies.

Thank you.

Subject: Support SB 1533

Dear Honorable Chair Hee, Vice-Chair Shimabukuro, and Committee Members:

Please **SUPPORT SB 1522** to regulate large scale dog breeders who often put profit over welfare. To prevent suffering and the poor conditions found at puppy mills, large-scale dog breeders should be licensed and comply with basic humane care and housing standards.

Supporting SB 1522 will go a long way to protect these puppies as well as the consumers of these animals.

Thank you,

Donna Whitaker

Please pass this bill to help control the disgusting puppy mills in our state. It's appalling what people will do to defenseless creatures because of greed. Please help ensure that all animals are treated with kindness, not exploited for money.

I have helped close down several puppy mills on the mainland. If you have ever been to one, you would be sickened by the way they the animals are treated. They are rat infested, cages piled up 5 and 6 high on top of one another so urine and fecies fall through to the one below, being bread to death, never vet checked so that after a litter some puppies remain mummified inside the mother. They are niver given room to run or play. They are not given the proper care or treatment. Don't turn a blind eye to these suffering animals, they are depending on you to stop this. Please do not let these animals suffer anymore.

Please help these innocent animals. They have feelings too and are more than just money makers for people. They are not taken care of and clearly are treated unhumanely. They can't speak for themselves but if you look in their eyes you know they are unhappy and want to be saved. Give them a chance! End puppy mills!

I cannot attend this hearing, but I will be hoping that Hawaii's governing body takes positive action to ensure our animals are kept safe and well. Puppy Mills MUST be regulated - the condition in these mills are dreadful!

Please pass this bill there are too many animals that are suffering at the hands of these puppy mills. I have seen first hand a dog that was dumped at a shopping mall because she was of no use anymore. Too old to produce, she was in terrible condition. Please pass this bill. We need to put an end to this and educate people of the suffering that is caused for profit.

Aloha Senators Hee and Shimabukuro-

As a petsitter I am acutely aware of the over population of dogs on this island-so many of which end up at shelters for various reasons. We must put a stop to overbreeding of dogs here and especially end the puppy mill situation where dogs are cruelly treated. Responsible breeders accept regulation and inspections because they have nothing to hide. Let's eliminate the others from Hawaii. Thank you. Judy Mick, Kailua

Dear Honorable Chair Hee, Vice-Chair Shimabukuro, and Committee Members:

Please **SUPPORT SB 1522** to regulate large scale dog breeders who often put profit over welfare. To prevent suffering and the poor conditions found at puppy mills, large-scale dog breeders should be licensed and comply with basic humane care and housing standards.

Aloha Chair Hee and Committee members,
You are aware of Hawaii's poor reputation concerning laws to protect our animals, particularly companion animals. Please pass this bill, hopefully with strengthen penalties, as a single positive step to change this situation. Mahalo.
