S.B. 2402

RELATING TO LIGHT POLLUTION

Chairs Gabbard, Fukunaga, and members of the Committees, thank you for the opportunity to testify on S.B. 2402.

The Department of Accounting and General Services (DAGS) supports passage of S.B. 2402 because it reflects understandings that are mutually acceptable to the membership of the Starlight Reserve Committee, which is comprised of representative staff from various State agencies and the respective Counties.

Thank you for the opportunity to testify on this matter.
