**RE: Support SB2486;
Relating to the Penal Code:
Terroristic threatening**

Dear Honorable Chair Hee, Vice-Chair Shimabukuro and
Members,

The Hawaiian Humane Society supports this bill to extend
the existing penal code for terroristic threatening to pet
animals and livestock.

We feel that this amendment will better protect pets and
livestock by preventing harm or the threat of harm to an
animal for the purpose of coercing, intimidating or controlling
another person.

Thank you for the opportunity to testify in support of this bill
and we respectfully ask for your support in passing this
measure.

Comments:

Too many times we have seen neighbors or others pick up a cat and relocate it without telling the owner or having made any kind of complaint with the owner. Cats have "disappeared" or have been found dead. There needs some protection for animals, not just cats and dogs but all animals.

I, Frances Pueo Support SB 2486

Many of us consider our pets as family members. To threaten harm, to hurt or damage may animals or pets, would be like harming my child/my children.

Cruelty is cruelty, whether done to humans or animals. We must make it clear, that that behavior will be dealt with, with fines, penalties, imprisonment.

There are many horror stories of animals that paid the price because of domestic or other violence. They are not only threatened, they are kicked , slashed with knives, shot, choked etc. all in the name of revenge. There is an urgent need to have laws in place to deal with such.

I support the bill

I'm ashamed of Hawai's reputation of having some of the weakest animal cruelty protection laws in the Country. This is the Aloha State. The ALOHA MUST EMBRACE ALL THE LIVING in our State. PLEASE PASS this Bill giving the HHS, police, prosecutors, and judges the ability to protect defenseless livestock and pets from acts of violence and threats of retaliation.

What would you do had this occurred with human beings involved instead of animals? The same should pertain to animals. There is no difference between this happening to humans as opposed to animals, animals are living beings.
