LATE TESTIMONY

Thursday 2/2/12 at 9:30AM in Room 016
SB 2508 – Campaign Reporting Laws

TESTIMONY

Nikki Love, Executive Director, Common Cause Hawaii

Chair Hee, Vice Chair Shimabukuro, and Committee Members:

Common Cause Hawaii supports SB 2508, which changes the date of campaign spending reports.

This change is necessary due to the new earlier Primary Election date in August 2012. Moving up the deadline for the first preliminary report is important to ensure disclosure and transparency, and avoid the redundancy of having two reporting deadlines only one day apart.

Mahalo for the opportunity to submit testimony.
