Testimony on S.B. No. 2566, Relating to Campaign Reporting Laws

Tuesday, February 7, 2012 2:45 p.m., Conference Room 224

Thank you for the opportunity to testify on this bill. The Campaign Spending Commission ("Commission") supports the intent of the bill. The bill amends Hawaii Revised Statutes §§11-355 and 103D-101 to require that public contracts include a provision that a person entering into a contract agrees to be subject to the prohibitions of §11-355 (contractors' ban). The Commission notes that the state General Conditions for state contracts, drafted by the Department of the Attorney General, already contains a provision that reads:

"Campaign Contributions. The CONTRACTOR is hereby notified of the applicability of 11-205.5, HRS<sup>1</sup>, which states that campaign contributions are prohibited from specified state or county government contractors during the terms of their contracts if the contractors are paid with funds appropriated by a legislative body."

<sup>&</sup>lt;sup>1</sup> The Department of the Attorney General is aware that the reference to §11-205.5 in the General Conditions needs to be changed to §11-355.

Paragraph 41 of the General Conditions. Thus, the Commission submits that the bill is redundant since the Attorney General's office is already requiring acknowledgement of the contractors' ban in the General Conditions for state contracts.
