**TESTIMONY ON SENATE BILL NO. 2765 – RELATING TO CAPTIVE INSURANCE
COMPANIES.**

TO THE HONORABLE ROSALYN H. BAKER, CHAIR, AND MEMBERS OF THE
COMMITTEE:

My name is Gordon Ito, State Insurance Commissioner ("Commissioner"),
testifying on behalf of the Department of Commerce and Consumer Affairs
("Department"). Thank you for hearing this bill. The Department strongly supports this
Administration bill, but respectfully requests that this bill be amended.

The purpose of this bill is to maintain Hawaii's position as a major captive
insurance domicile by updating and streamlining the captive insurance company law
found in article 19, chapter 431, Hawaii Revised Statutes ("HRS")("Captive Law"), and
ensuring that risk retention captive insurance companies comply with the accreditation
standards of the National Association of Insurance Commissioners ("NAIC").

Besides making numerous housekeeping amendments to the Captive Law, this
bill also:

1. Provides greater flexibility for pure captive insurance companies to insure
or reinsure the risks of controlled unaffiliated business;

2. Provides greater flexibility for association captive insurance companies to insure the risks of its association and a member organization's affiliated entities;
3. Applies article 15, chapter 431 (Insurers Supervision, Rehabilitation, and Liquidation), and chapter 386 (Workers' Compensation), HRS, to pure captive insurance companies writing direct workers' compensation insurance policies ("Direct-writing Captive"). This addresses concerns about the treatment of a Direct-writing Captive that becomes insolvent or in a condition hazardous to its policyholders, creditors, or general public;
4. Clarifies that the Commissioner or any authorized examiner is authorized to conduct financial surveillance of captive insurance companies; and
5. Allows the Commissioner to impose fines on captive insurance companies that fail to comply with state law upon notice to remedy any violation. This would give the Commissioner more options in dealing with noncompliant captive insurance companies as the only existing penalties are license suspension or revocation.

After meeting with the Hawaii Captive Insurance Council, the Department respectfully requests that three additional amendments be made to Sections 1, 13, and 15 of the bill. Please refer to the attached Proposed SB2765 SD1 (the "Attachment").

This measure balances the need for captive insurance companies to have greater flexibility in conducting insurance business, while strengthening the State's regulatory authority to ensure compliance with Hawaii law and NAIC accreditation standards.

We thank this Committee for the opportunity to present testimony and request your favorable consideration in passing this bill with the amendments described in the Attachment.

TESTIMONY ON S.B. No. 2765
RELATING TO CAPTIVE INSURANCE COMPANIES

SENATE COMMITTEE ON COMMERCE AND CONSUMER PROTECTION

Senator Rosalyn Baker, Chair
Senator Brian Taniguchi, Vice Chair

Thursday, February 2, 2012, 9:00 a.m.
State Capitol, Conference Room 229

My name is Fay Okamoto, Vice Chairman of the Hawai'i Captive Insurance Council (HCIC), a trade organization representing approximately 100 captive insurance companies and service providers who support Hawai'i's captive insurance industry. I am also the branch manager of Artex Risk Solution, Inc.'s Hawai'i office and serve as the authorized captive manager for a number of captive insurance companies domiciled in the State of Hawai'i.

I support S.B. No. 2765 which provides clarifying language and housekeeping amendments related to HRS Chapter 431, Article 19 concerning captive insurance companies. I do, however, have concerns with certain aspects of the bill which I understand the HCIC is working in concert with the Hawai'i Insurance Division to address.

Hawai'i's robust captive industry attracts high-quality and sophisticated captive owners, including numerous Fortune 1000 companies, because of its favorable captive laws and regulations, business friendly environment, and prudent approach to regulation. Captives provide significant direct and indirect benefits to the State in the form of employment of Hawai'i-based professional service providers, investment of captive dollars in Hawaii financial institutions, and tourism dollars generated when captives hold their annual Board and other meetings in Hawai'i, as well as attend annual captive conferences in this State.

Hawai'i faces stiff competition from numerous U.S. and off-shore captive domiciles for captive insurance company business. It is critical that our captive law provides a prudent regulatory structure while remaining flexible enough to address each captive owner's unique situation. We appreciate the Hawai'i Insurance Division's and the Insurance Commissioner's willingness to work with the HCIC to ensure our captive laws remain best-in-class.

At this time, I respectfully request S.B. No. 2765 continue to move forward through the legislative process while we work out our technical issues with the Hawaii Insurance Division. Thank you for this opportunity to testify.

Respectfully submitted,

TESTIMONY ON S.B. 2765
RELATING TO CAPTIVE INSURANCE COMPANIES

SENATE COMMITTEE ON COMMERCE AND CONSUMER PROTECTION
Senator Rosalyn H. Baker, Chair
Senator Brian T. Taniguchi, Vice Chair

Tuesday, February 2, 2012, 9:00 a.m.
State Capitol, Conference Room 229

Chair Baker, Vice Chair Taniguchi, and Members of the Committee:

My name is Craig Watanabe, and I am the Regional Manager of Strategic Risk Solutions, Inc., an independent captive insurance management company with operations in Hawaii and other major captive jurisdictions in the U.S, and abroad.

I respectfully submit my testimony in strong support of the *intent* of this Administration proposed measure. However, there are several potential issues that may adversely affect the continued growth and prudent development of our captive insurance industry if not properly resolved. While we have been in discussions with the Insurance Commissioner and his staff, we respectfully request that this measure be allowed to progress so that we can continue to work on resolving these potential issues.

Since the enactment of Hawaii's captive insurance statutes in 1986, the captive insurance industry has evolved into one of the top jurisdictions in the world for this special kind of business, as well as, directly contributed to our local economy and intellectual capital. It has enabled over 200 companies and organizations from the U.S., Japan, and other countries to efficiently implement and maintain a captive insurance program through new Hawaii corporations. In addition to notable Fortune 500 companies and non-profit and governmental owners, there are several prominent local Hawaii corporations and organizations that have successfully utilized Hawaii captives to efficiently manage their exposure to risks. The University of Hawaii at Manoa has also embarked on the development of an insurance and risk management program within the Shidler College of Business.

The success of Hawaii's captive insurance industry has been, and will continue to be dependent upon the consistent commitment and collaborative efforts of its Lawmakers, Administration and private sector constituencies. We appreciate the opportunity to provide this testimony and look forward to your continued support of this important industry for Hawaii.

Respectfully Submitted,

TESTIMONY ON S.B. 2765
RELATING TO CAPTIVE INSURANCE COMPANIES

SENATE COMMITTEE ON COMMERCE AND CONSUMER PROTECTION

Senator Rosalyn H. Baker, Chair
Senator Brian T. Taniguchi, Vice Chair

Thursday, February 2, 2012, 9:00 a.m.
State Capitol, Conference Room 229

My name is Matthew D.R. Takamine, President of the Hawai'i Captive Insurance Council (HCIC), a trade organization of captive insurance companies and service providers who comprise and support Hawai'i's captive insurance industry.

HCIC supports S.B. 2765, which adds two new sections and makes housekeeping and clarifying amendments to Hawai'i's captive insurance laws to enable Hawai'i to maintain its position as a leading captive insurance domicile in the United States and throughout the world. Nevertheless, HCIC has concerns regarding certain aspects of the bill, and would like to see that an appropriate balance is achieved between meaningful yet reasonable regulatory oversight so as to ensure that Hawai'i maintains its stature as a competitive and preferred captive insurance domicile. To this end, HCIC has been engaged in discussions with the Hawai'i Insurance Division regarding the particular areas of concern.

With increasing competition from other U.S. domiciles, it is critical that Hawai'i continue to attract new captive formations by reputable business entities, and maintain the quality captive insurance companies currently domiciled in this State. Passing this measure in a format that balances the important business and regulatory interests will enable Hawai'i to continue to compete as a preferred domicile in the increasingly competitive captive insurance marketplace.

TESTIMONY OF JASON PALMER ON BEHALF OF WILLIS CAPTIVE PRACTICE

**TESTIMONY ON S.B. NO. 2765
RELATING TO CAPTIVE INSURANCE COMPANIES**

SENATE COMMITTEE ON CONSUMER PROTECTION AND COMMERCE

**Senator Rosalyn H. Baker, Chair
Senator Brian T. Taniguchi, Vice Chair**

**Thursday, February 2, 2011, 9:00 a.m.
State Capitol, Conference Room 229**

My name is Jason Palmer, Managing Director of Willis Management (Hawaii), a division of Willis, the third largest global insurance broker in the world. Willis Management (Hawaii) serves as a consultant and captive manager to several captive insurance companies domiciled in Hawaii and in other US jurisdictions.

I respectfully submit my testimony in support of the *intent* of this Administration proposed measure. This bill contains several measures that are beneficial to the captive insurance industry and we feel will support the growth of the industry in Hawaii. However, there are a few potential issues within the bill that may adversely affect the continued growth and prudent development of our captive insurance industry if not properly resolved. We have been in continuing discussions with the Insurance Commissioner and his staff in regards to these concerns; therefore we respectfully request that this measure be allowed to progress so that we can continue to work on resolving these potential issues.

Captive insurance entities not only contribute premium tax revenue to the State, the formation and maintenance of captive business in Hawaii generates significant revenues and benefits in the form of general excise, income, and transient accommodation taxes paid by service providers and others doing business with captives in Hawaii. With increasing competition from other U.S. domiciles, it is critical that Hawai'i continue to attract new captive formations by reputable business entities and enhance opportunities for those captive entities currently domiciled in Hawaii. Passing this measure, will enable Hawaii to continue its position as a preferred domicile in the increasingly competitive captive insurance marketplace.

Thank you for this opportunity to submit testimony in support of S.B. No. 2765.

Respectfully submitted:
