Comments:
Aloha,

This measure to support DHHL has been tried in the past to provide pilot programs and was a failure for the native Hawaiians for there was no DHHL to administer, implement, and most of all to guide these programs earmarked for the betterment of the native Hawaiians seeking housing. We do not support this bill on the squandering dollars for DHHL. For without the help of the Big Island native Hawaiians impute to make this pono, the programs will once again fail by this egregious system for the nation. Thank you for the opportunity in testifying on this matter
