In consideration of  
**Senate Bill 2805**  
**Relating to Public Housing**

Honorable Chair and Members of the House Committee on Housing, thank you for the opportunity to provide you with comments regarding Senate Bill 2805, relating to public housing.

The Hawaii Public Housing Authority (HPHA) supports enactment of this measure, which would amend Section 356D-6, Hawaii Revised Statutes (HRS), to provide the HPHA Resident Advisory Board (RAB) with more flexibility in nominating the resident member of the Board of Directors.

When a vacancy occurs for the resident member seat on the HPHA Board of Directors, Section 356D-6, HRS, requires the RAB to develop a list of interested, qualified individuals for consideration by the Governor for appointment to the Board. The current statutory section requires the RAB to provide the names of five individuals. In situations where there are not five interested individuals, the Resident Advisory Board is unable to provide a list to the Governor for consideration, which can cause the resident member seat on the Board of Directors to remain vacant for extended periods.

This, in turn, deprives the residents of their voice on the Board of Directors and endangers the receipt of Federal funds since the U.S. Department of Housing and Urban Development (HUD) requires the Board of Directors to have a resident member. By amending the statute section to allow the RAB to submit a list of at least three but no more than five names to the Governor, the RAB is better positioned to provide the most serious, qualified, and interested candidates while still providing a diverse selection for the Governor's consideration. This statutory amendment has been requested specifically by the RAB to improve the fulfillment of their statutory functions.

SUBJECT: **S.B. 2805 – RELATING TO PUBLIC HOUSING**

Hearing: Wednesday, March 14, 2012; 10:00 a.m.  
Conference Room 325, State Capitol

**PURPOSE:** The purpose of S.B. 2805 is to allow the Resident Advisory Board of the Hawaii Public Housing Authority (HPHA) to provide a list of at least three but no more than five names of individuals to the Governor for consideration for appointment to the resident member seat on the HPHA Board of Directors.

**DEPARTMENT'S POSITION:** The Department of Human Services (DHS) supports S.B. 2805 because it will allow flexibility in providing a list with fewer than the five names that are currently required to be submitted to the Governor.

When a vacancy occurs for the resident member seat on the HPHA Board of Directors, section 356D-6(a), Hawaii Revised Statutes (HRS), requires the Resident Advisory Board of the HPHA to submit a list of five names for consideration by the Governor for appointment to the Board. In situations where there are less than five interested individuals, the Resident Advisory Board is unable to provide a list to the Governor for consideration. This may cause the resident member seat on the HPHA

Board to remain vacant for extended periods. This, in turn, deprives the residents of their voice on the HPHA Board and endangers the receipt of Federal funds since the U.S. Department of Housing and Urban Development (HUD) requires the HPHA to have a resident member on its Board.

By amending HRS section 356D-6(a) to submit a list of at least three but no more than five names to the Governor, the Resident Advisory Board is better positioned to provide qualified candidates while still providing a diverse selection for the Governor's consideration. This amendment will also help HPHA to be in conformance with HUD's requirement of having a resident member in the HPHA Board.

Thank you for the opportunity to provide testimony on this bill.
