

NEIL ABERCROMBIE
GOVERNOR OF HAWAII

**STATE OF HAWAII
DEPARTMENT OF LAND AND NATURAL RESOURCES**

POST OFFICE BOX 621
HONOLULU, HAWAII 96809

**Testimony of
WILLIAM J. AILA, JR.
Chairperson**

**Before the House Committee on
WATER, LAND & OCEAN RESOURCES**

**Friday, March 16, 2012
9:00 A.M.
State Capitol, Conference Room 325**

**In consideration of
SENATE BILL 2906, SENATE DRAFT 1
RELATING TO THRILL CRAFT**

Senate Bill 2906, Senate Draft 1 proposes to allow thrill craft to be used to conduct ocean cleanup activities and requires the Department of Land and Natural Resources (Department) to adopt rules to implement the act. The Department supports this measure.

With the advance in technology, personal watercraft have become a valuable tool when dealing with issues in the near shore waters of the State. They are used by lifeguards, fire departments, and state agencies due to their ability to operate in very shallow water with no threat to the natural resource due to being jet driven.

Thank you for the opportunity to comment.

WILLIAM J. AILA, JR.
CHAIRPERSON
BOARD OF LAND AND NATURAL RESOURCES

Comments:
Aloha Kakou,

House Committee on Water, Land and Ocean Resources:
Chair, Rep J. Chang; Vice Chair, Rep S. Har; and committee members;

PLEASE SUPPORT AND PASS SB 2906!

As a community leader in the Nanakuli Ahupua'a, this bill would allow and authorize for the use of thrill crafts to be used in cleaning the Ocean and shorelines.

Since the major Waimanalo Gulch Landfill runoff incident in January 2011, whereas, numerous medical waste and other contaminated items were released into our Kahe Point Beach Park ocean area to include the Ko Olina Resort cove and ocean areas, the timeliness of this particular bill would really help our Emergency Response Team's plan in that these ocean vehicles could be considered as part of the overall clean-up efforts in the event of another Landfill catastrophe or just any natural disaster that happens in the ocean.

Mahalo Nui Loa, Kimo Kelii (Waianae Coast Community Leader)

Hello,

OCEAN CLEAN-UP USING JET SKI'S ,BOATS,RADIOS,UNDERWATER CAMERAS,GPS;

I Frank Ruiz volunteer to start this new Division of Ocean Cleanup ,at my own expense ,to begin an organization that could truly have an impact on the coming trash from the Japan Tsunami ,and on getting a handle on the abuse of our own residents

DANGERS IN THE WATER:

Plastic bags in the water look like jelly fish ,Turtles favorite food,they eat them and die....I always pick them up when Jet Skiing ,that's what started this,I also found 2 huge abandon drift nets ,one at Makua and one by ST. Johns road...,I reported them with my hand radio to the coast guard and waited till they got there .it was good.I also assisted on 2 occasions divers who were in trouble ,one was out of air and trying to make it to shore,and the other had a full net and a broken float .These are just a couple of the many things that happen out there....that we could help with.

WHAT I WANT TO START

Fly a Blue Planet flag so the lifeguards will know who it is and have radio contact with them, and be able to scour the inner coastline to pick up bags and look for where trash has collected:
Have radios,cell phones,underwater cameras,GPS capability

WHAT I SEE IN THE FUTURE :

I took a class with Sam Pai to get registered for my jet ski & I took the second class for tow in surfing.....I see a third class to register volunteers as Blue Planet or DLNR participants .To inform and certify them of our plan ,I don't want this privilege abused,we will have to work out the do's and don't of this new idea,because we will be coming close to shore.I would say 10 miles per hour tops..I don't want any show offs or big heads.We will need the help of boats to help with the clean up once we have found it.if it's to big.And a plan of where to tow it to,then someone on land to scoop it up and haul it away.

I can see this starting out in Waianae....,going island wide and then state wide & with all the best intension's....to clean the Ocean...with the Good Lord's help Nation wide,....

with the utmost sincerity.....Frank Ruiz 696-1639 or 341-4262 86-210 Leihua st Waianae HI 96792
