Comments:

Please look deeply into your decisions, the changes you make affect not only the libraries & the friends support group, but the public. Our kupuna's, keiki -our community.

Comments:

My understanding is that most of the funds raised by Friends of the Library groups are now used for projects that librarians request. These funds supplement what the library receives from tax dollars. Why change that? Will funds still be used for library needs or siphoned off? Keep government fingers out of this till!
