RE: SB 641, RELATING TO FIRE WORKS

POSITION: STRONG SUPPORT

My name is Fetu Kolio, I am testifying today on bill SB- 641, relating to fireworks.

Labeling of fireworks explosives materials should always be the first priority to insure the Public's Safety, protected under State and federal laws, ignoring the facts of the ongoing issues of illegal importation of aerial fireworks by non license retailers, wholesalers, also City, State, and federal, departments of the State Of Hawaii .

SB 641, would help setup a safety network across the State of Hawaii, including the neighbor islands, also STOP any terrorist organization, that would exploit our laws and use it against the people of the State Of Hawaii . Furthermore, the BLACK MARKET system is generating millions of dollars in illegal revenue profits .

Thank you for hearing this bill and my testimony please pass SB 641 .

FETU KOLIO, (Community Resident)
