**TESTIMONY ON SENATE BILL 9  
RELATING TO PUBLIC SAFETY**

By

**Jodie F. Maesaka-Hirata, Interim Director  
Department of Public Safety**

**Senate on Public Safety, Government Operations, and Military Affairs  
Senator Will Espero, Chair  
Senator Michelle Kidani, Vice Chair**

**Tuesday, February 15, 2011; 2:45 PM  
State Capitol, Conference Room 224**

**Senator Espero, Vice Chair Kidani, and Members of the Committee:**

The Department of Public Safety (PSD) supports the intent of Senate Bill 9. This bill requires PSD to pursue and obtain accreditation for the Sheriff Division from the Commission on Accreditation for Law Enforcement Agencies, Inc. We agree that the goal of obtaining accreditation will, as the State Auditor recommended, help ensure that proper law enforcement standards are met.

Due to the cost implications of the accreditation process as well as the cost associated with implementing changes that will be required to meet those standards, PSD requests that this measure be held, and the accreditation be pursued at a later time.

Thank you for this opportunity to testify on this matter.

**Comments:**

Aloha Chair Espero, Vice Chair Kidani and members of the committee. I am Lt. Michael Oakland of the State Sheriff Division and I am writing in SUPPORT of this bill and its intent. I think that the legislature can require the Sheriff Division to be CALEA compliant in all of their policies so that we are current, and to start operating under those policies until such time as the state's budget woes get better and then we can re-visit the official certification as it will take money. Just being compliant in our policies which tells us how to operate will provide significant improvements with no expense. Again, until the economy gets well enough to go all the way with the full CALEA certification. If there are any questions I am available to answer and assist in any way. Mahalo Nui Loa for this opportunity to testify.

Lt. Michael Oakland, Commander  
Airport Patrol Section, Sheriff Division Honolulu International Airport, Kalaeloa and Dillingham Air Fields

**Comments:**

Aloha, I'm a Sergeant/Deputy Sheriff III, for 30 years, currently at the HIA since 1999, a widower, a father of (3), grandfather of (3), I testified in 1987 before Senator Mike Croziers hearing for Act 211, then a Housekeeping measure to include the Sheriff's in the newly proposed Dept. of Public Safety, we were absorbed in July of 1990, the Corrections half of PSD had already formulated the initial infrastructure to control our budget and asset forfeiture monies, to attempt to attain our police powers and relinquish our name & title(s) of "Sheriff, Deputy Sheriff" were in jeopardy before Senator's & Reps of being lost forever, I testified again on the Historical aspects, merits and retention of our positions to not become "Special Services Deputies." As other LE Positions Nationwide, Marshals, Police, Sheriff's, have clear and distinct duties which require proper collective bargaining representation. To include all state LE units ie; AG's, DLNR, Harbors, NED, Sheriff's, etc., is essential for consolidation of jurisdictional powers, defined authority & budget, training & accreditation, sustained mission with short & long term goals & objectives in concert with the 2009-2010 PSD Audit. We are again at a critical juncture in our quest for survival and recognition in accordance with our profession, job and classification. Our current need for redress & grievances begs your support of this legislative Senate Bill #9, mahalo

**Comments:**

I respectfully submit this statement in total support of SB9. The State of Hawaii needs professional, certified Law Enforcement Officers. This bill would require the Department of Public Safety to modernize its Law Enforcement policy, procedures, and training to CALEA standards. Even if the state cannot afford to have the CALEA organization come down and certify the state law enforcement community, the departments should be mandated to be up to par with CALEA standards. In order for the State of Hawaii to have a credible and respected training background. Please help make State Law Enforcement a shining, professional entity. Mahalo

TESTIMONY ON SENATE BILL 9  
RELATING TO PUBLIC SAFETY

Senate on Public Safety, Government Operations, and Military Affairs  
Senator Wil Espero, Chair

Tuesday, February 15, 2011; 2:45 PM  
State Capitol, Conference Room 224

Senator Espero and Members of the Committee:

I support the intent of SB 9. This bill requires the Department to pursue and obtain accreditation for the sheriff division from the Commission on Accreditation for Law Enforcement Agencies (CALEA), Inc. Obtaining accreditation will, as the State Auditor recommended, help ensure that proper law enforcement standards are met.

Meeting CALEA accreditation involves not only the Sheriff Division, but also many other functions within the Department. Fiscal, Personnel Recruitment, and Training that must also meet CALEA standards to obtain accreditation. Under the current organizational structure of the Department of Public Safety, I do not believe that accreditation can be obtained for just the Sheriff Division. It would also include the Department of Public Safety's Administrative divisions.

I recommend that this measure be deferred and the goal of CALEA accreditation be pursued as part of SB 11, which would separate the Sheriff Division from the Department of Public Safety and create a new Department of the Sheriff.

As my testimony maybe contrary to the Department of Public Safety's position, I am presenting my testimony as a private individual and not as an official representative of the department. Thank you for this opportunity to testify on this important matter.

Robin Nagamine, Lieutenant  
Sheriff Division

Monday, February 14, 2011

To the Senate Committees of Public Safety, Government Operations, Military Affairs and the Judiciary and Labor:

I am writing in **SUPPORT** of Senate bills **9, 10, 11 and 1065**.

The law enforcement officers of the Sheriff Division face the challenging tasks of preserving public peace and safety, preventing crime, detecting and arresting offenders of the law and protecting citizen rights and property by enforcing laws. There is nothing simple or easy about fulfilling any one aspect of their daily work. As a tax paying citizen and informed voter, it is my civic duty and responsibility to **demand** support for the people who are willing to risk their lives (both ON and OFF duty) for my safety and that of my family and my community, and also the safety of our Governor and Judges.

**The Division deserves the financial, capital and legal support of our State government.** Our tax dollars should provide the equipment, training, and legal defense for our law enforcement officers for the reasons cited in this letter of support.

It is no secret that law enforcement costs money. Please support the brave men and women of the Sheriff's division to do their job well. As our elected leaders who pledge to "better our State," PLEASE think of the needs of law enforcement officers. They deserve funding for continued professional training, a more convenient and efficient receiving desk to process offenders, a better radio system, and a defense fund for any lawsuits that they are challenged with as a result of the commission of their daily duties. Please vote to support their work – they are professionals, not "warm bodies on the beat." Most people, legislators in particular, have not recognized the essential roles they played in the capture and prosecution of the copper thieves, which saved taxpayers hundreds of thousands of dollars in court costs because of the excellent case built against the offenders. They have **EARNED RESULTS** in their work with interagency investigations; arresting and retrieving suspects in several heinous crimes and/or crime organizations. They have supported and assisted other law enforcement – FBI, CIA, US Marshals, Secret Service, DEA, DHS, HPD, etc. **Please support their efforts by passing SB 9,10 and 11.**

In regards to **supporting SB 1065**, please support the necessity (and the logic) for the creation of a Sheriff's division bargaining unit. Currently they are in the same unit as office and desk workers, teachers, professors and educational officers. Law enforcement, by the very nature of their work, should NOT be in the same bargaining unit as employees who do NOT risk their lives every day on the job. There is no logic, no sense of fairness or justice in that. **They deserve their own bargaining unit that seeks to protect and represent the work that law enforcement personnel do for us. Please support SB 1065!**

Thank you for considering this testimony. Although as a collective group you have discounted the need for prayer by dismissing it from guiding your actions as leaders of the People, this citizen will continue to pray for each of you. I pray that you will make decisions that will support those who provide us safety and accept the challenge of enforcing laws. *I hope that each of you remember that our inalienable rights (life and liberty) are endowed by our Creator, NOT the government since government was created FOR the sole purpose of protecting those rights and defending us from foreign and domestic enemies.* Please help our law enforcement officers **DEFEND** and protect our rights and property by supporting Senate bills 9, 10, 11 and 1065.

Respectfully submitted,

Christeana Jones

Comments:

i would like our training Academy to be accredited.To show that we know what we are doing on the streets. And other states only take transfers from only accredited departments.
