**SENATE COMMITTEE ON WATER, LAND AND HOUSING**

February 28, 2012 at 1:25 p.m.  
Room 225, State Capitol

In consideration of  
**SCR 21 APPROVING THE SALE OF THE LEASED FEE INTEREST IN 2314 10th  
AVENUE, HONOLULU, HAWAII.**

The HHFDC **supports SCR 21**. HHFDC is seeking legislative approval to sell the leased fee interest in this single family home to its leasehold owner.

The subject parcel is a single family home built in 1981 as part of the Palolo Solar Homes affordable for-sale development. Only 2 lessees remain out of the 5 homes in the development. The long-term leases in this development included a clause giving the lessees the contractual right to purchase the leased fee interest in their land.

The fair market value of the leased fee interest in this property as of July 1, 2011 was \$196,700. A title search conducted by Title Guaranty of Hawaii on July 27, 2011, showed that this parcel was classified as Government land previous to August 15, 1895.

HHFDC conducted a public meeting on the proposed sale on August 11, 2011, at Jarrett Middle School, Honolulu, Hawaii, following publication of notice in the Honolulu Star-Advertiser newspaper on August 4 and 7, 2011. There was no objection to the proposed sale raised at that time.

HHFDC has also worked with the Office of Hawaiian Affairs during the interim to keep them informed of these findings and intent to sell the leased fee interest in these parcels. A copy of the draft resolution was provided to OHA on October 3, 2011. The attached documents provide more information on these properties to the Committee:

1. A map showing the general location of the parcel;

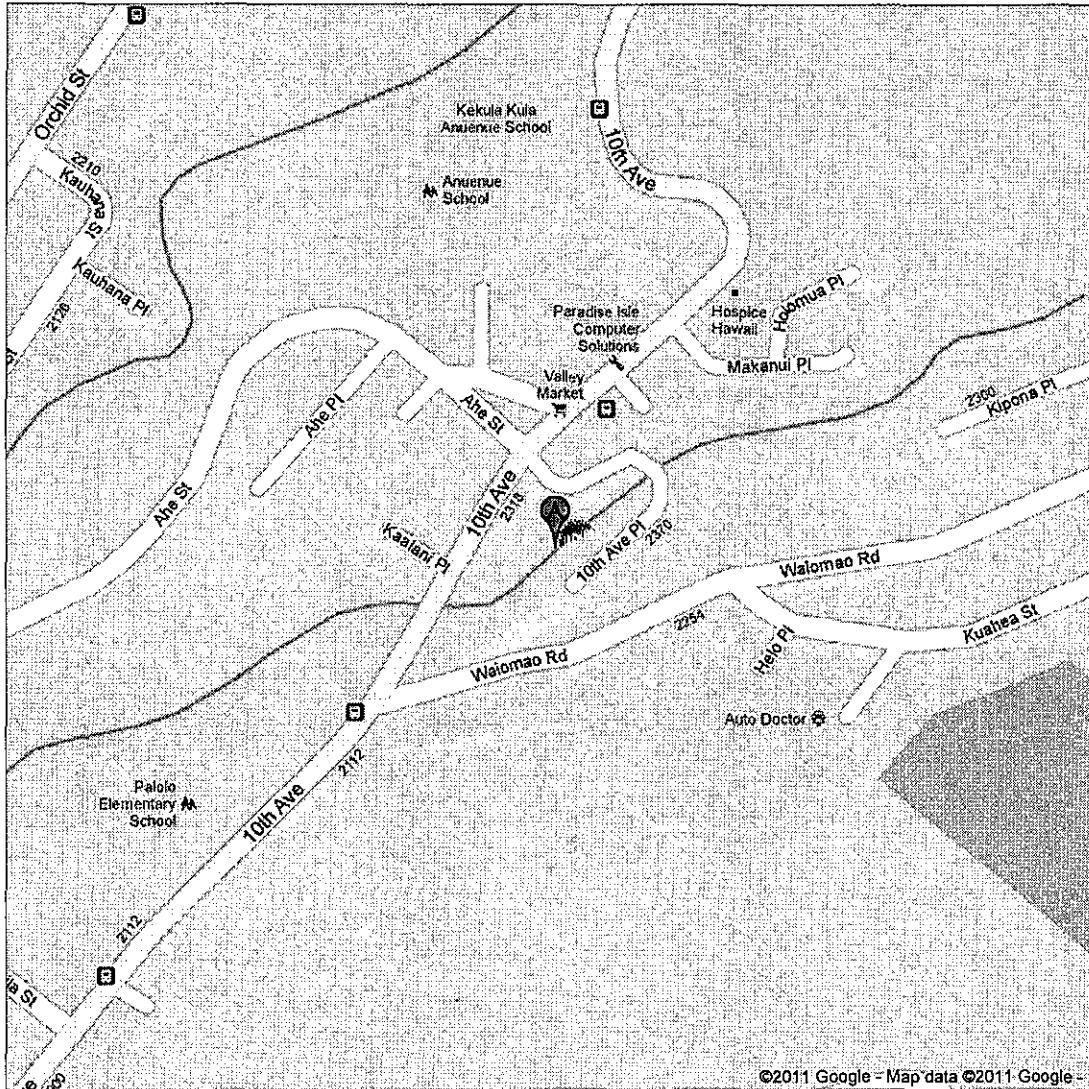

2. A photo of the parcel; and
3. A copy of the title report for this parcel.

We respectfully request your favorable consideration of this concurrent resolution.  
Thank you for the opportunity to testify.
