**TESTIMONY ON SENATE CONCURRENT RESOLUTION NO. 38, REQUESTING A
SUNRISE ANALYSIS OF THE PROPOSED LICENSING OF COLON
HYDROTHERAPISTS AND COLON HYDROTHERAPY ESTABLISHMENTS.**

TO THE HONORABLE ROSALYN H. BAKER, CHAIR,
AND MEMBERS OF THE COMMITTEE:

My name is Celia Suzuki, Licensing Administrator of the Professional and Vocational Licensing Division, Department of Commerce and Consumer Affairs ("DCCA"). The DCCA appreciates the opportunity to submit comments on S.C.R. No. 38.

The concurrent resolution requests that the Auditor conduct an analysis pursuant to section 26H-6, Hawaii Revised Statutes, of the proposed licensing of colon hydrotherapists and colon hydrotherapy establishments under Senate Bill No. 2334 (2012).

We find it interesting that the bill does not make reference to a specific department to administer the regulation of colon hydrotherapists and colon hydrotherapy establishments. We can only speculate that DCCA would be the administering agency, but we do not wish to be presumptuous. However, if it is meant to be DCCA, pursuant Section 26H-6, Hawaii Revised Statutes, new regulatory measures being considered for enactment shall first be referred to the Auditor for a sunrise review. Therefore, if DCCA is to be the administering agency, we would support a sunrise study.

Thank you for the opportunity to provide comments on S.C.R. No. 38.
