Senator Malama Solomon to Hold Public Forums on Legislative Accomplishments

Hawai'i- State Senator Malama Solomon, who represents District 1 (Waimea, Hamakua, North Hilo, Rural South Hilo, and Hilo) on Hawaii Island, will hold a series of community forums to report on key measures from this year's Legislative Session. The first meeting will be conducted at the Prince Jonah Kuhio Kalaniana'ole Elementary and Intermediate School Cafeteria on Monday, May 7, 2012 at 5:30 p.m.

"The 26th Legislature has been very productive. There have been advances in issues that we feel particularly strong about, so as to improve our quality of life," Said Senator Malama Solomon. "I look forward to having the opportunity to report back to the community on these matters which impact us all."

Several prominent issues tackled during the 2012 Legislative Session included, geothermal energy development, agriculture development, the Office of Hawaiian Affairs settlement, education, and sustainability
