Dear Senator Kim and Members of the Senate:

**SUBJECT: Planned Repair and Maintenance Projects for Fiscal Year 2013-2014**

Attached for your information is the Department of Education's list of repair and maintenance projects planned for Fiscal Year 2013-2014. These projects were developed with the approval of school administrators and complex area representatives.

Your support of our 2013-2014 Board of Education approved Capital Improvements Project budget request of \$70 million in FY 2014 for repair and maintenance will enable these planned projects to move forward at each of your schools.

If you have any questions, please call Greg Tanaka of the Facilities Development Branch at 265-6627.

Thank you.

Very truly yours,

  
Kathryn S. Matayoshi
