# A BILL FOR AN ACT

RELATING TO REGISTRATION OF COVERED OFFENDERS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1 SECTION 1. Act 80, Session Laws of Hawaii 2008, amended  
2 chapter 846E, Hawaii Revised Statutes, Hawaii's covered offender  
3 registration law, to take major steps toward compliance with  
4 title I of the federal Adam Walsh Child Protection and Safety  
5 Act of 2006, also known as the Sex Offender Registration and  
6 Notification Act, and enable the Hawaii covered offender  
7 registration program to effectively participate with the  
8 nationwide network of sex offender registries.

9 When declaring the purpose of the Sex Offender Registration  
10 and Notification Act, Congress stated: "In order to protect the  
11 public from sex offenders and offenders against children, and in  
12 response to the vicious attacks by violent predators . . .  
13 Congress in this Act establishes a comprehensive national system  
14 for the registration of those offenders." The Sex Offender  
15 Registration and Notification Act was in response to a number of  
16 high profile violent crimes committed by individuals who had  
17 previously been convicted of sex crimes but under the old  
18 standards were not required to register as sex offenders. Under

1 the Sex Offender Registration and Notification Act, the  
2 predecessor sex offender program was repealed. The Sex Offender  
3 Registration and Notification Act established new baseline sex  
4 offender registry standards for state registries.

5 The sex offender registration and notification programs  
6 serve a number of purposes. The programs provide systems for  
7 tracking sex offenders released into our communities. In the  
8 event of a violent sex crime, the programs provide law  
9 enforcement with information on sex offenders in the area the  
10 crime was committed. The information may help law enforcement  
11 identify the perpetrator, and may help law enforcement to  
12 quickly locate and apprehend the perpetrator. The programs may  
13 also deter released offenders from committing other crimes  
14 because they require offenders to maintain contact with  
15 authorities and provide detailed information regarding their  
16 whereabouts. The public notification aspects of the programs  
17 allow members of the public access to information on sex  
18 offenders in their area, thereby enabling them to take  
19 reasonable measures to protect themselves.

20 The purpose of this Act is to clarify provisions in chapter  
21 846E, Hawaii Revised Statutes, the State's covered offender  
22 registration law, address important issues that have come up in

1 the implementation of the covered offender registration law, and  
2 continue to make efforts toward Sex Offender Registration and  
3 Notification Act compliance.

5 amended by amending subsection (a) to read as follows:
