S.B. NO. 722

C.D. 1

A BILL FOR AN ACT

RELATING TO GOVERNMENT.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that Act 54, Session Laws
2 of Hawaii 2011, establishes a comprehensive information system
3 for public lands to be used for the inventory and maintenance of
4 information relating to the public land trust, also known as
5 ceded lands, and other state lands. All state and county
6 agencies are directed to assist the department of land and
7 natural resources in facilitating the establishment of the
8 comprehensive information system for public lands.

9 The legislature further finds that the inventory required
10 to be taken and information to be maintained are important tools
11 to assist the State to manage its assets.

12 The legislature further finds that insufficient information
13 on underutilized public facilities exacerbates lost revenues for
14 the State, so it is important that all state and county agencies
15 work together to ensure that state facilities are used to their
16 fullest potential.

17 The purpose of this Act is to require the department of
18 accounting and general services to expand the scope of the

1 comprehensive information system established pursuant to Act 54,
2 Session Laws of Hawaii 2011, to inventory and maintain
3 information about the lands of the public land trust described
4 in section 5(f) of the Admission Act and article XII, section 4,
5 of the Hawaii State Constitution to include public buildings,
6 facilities, and sites thereby creating a comprehensive asset
7 management system for public lands and facilities.

8 SECTION 2. Act 54, Session Laws of Hawaii 2011, is amended
9 by adding a new section to read as follows:

10 "SECTION 2A. (a) The department of accounting and general
11 services shall coordinate efforts to establish a complete and
12 accurate inventory of public buildings, facilities, and sites on
13 the lands of the public land trust to which state agencies hold
14 title or over which they maintain management control by
15 accepting information from state agencies on the inventory of
16 public buildings owned or operated by each agency.

17 (b) The department of accounting and general services
18 shall incorporate the inventory of public buildings, facilities,
19 and sites together with the public land trust inventory and the
20 public land trust information system to create an integrated,
21 comprehensive system for asset management of public buildings,
22 facilities, and sites. All state agencies shall transfer to the

1 department of accounting and general services all programs and
2 hardware associated with the inventory for purposes of this
3 subsection.

4 (c) All state agencies shall report to the department of
5 accounting and general services by December 1, 2013, an
6 inventory of public buildings, facilities, and sites owned or
7 operated by the reporting agency and shall comply with requests
8 for information or services by the department of accounting and
9 general services in furtherance of this section.

10 (d) The department of accounting and general services
11 shall submit a report to the legislature of its progress in
12 implementing this section no later than twenty days before the
13 commencement of the regular session of 2014.

14 (e) As used in this Act, the term "public buildings,
15 facilities, and sites" shall have the same meaning as set forth
16 in section 103-50, Hawaii Revised Statutes."

17 SECTION 3. There is appropriated out of the general
18 revenues of the State of Hawaii the sum of \$250,000 or so much
19 thereof as may be necessary for fiscal year 2013-2014 for the
20 department of accounting and general services to coordinate the
21 inventory of public buildings, facilities, and sites and for the
22 creation of a comprehensive system for asset management.

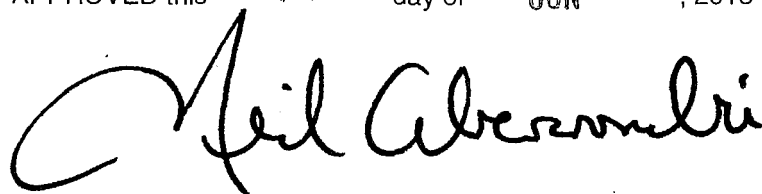

1 The sum appropriated shall be expended by the department of
2 accounting and general services for the purposes of this Act.

3 SECTION 4. New statutory material is underscored.

4 SECTION 5. This Act shall take effect on July 1, 2013.

APPROVED this 14 day of JUN, 2013

GOVERNOR OF THE STATE OF HAWAII
