
A BILL FOR AN ACT

RELATING TO THE ECONOMIC OPPORTUNITY POVERTY REDUCTION TASK
FORCE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. **Findings and purpose.** (a) The legislature
2 finds that:

3 (1) It is in the public interest to improve access to
4 economic and educational opportunities to help
5 families achieve self-sufficiency and financial
6 security while reducing the number of Hawaii residents
7 living in poverty;

8 (2) Poverty has social and economic costs for children and
9 families, communities, and the State. Children living
10 in poverty often experience lower academic achievement
11 and increased health and behavioral problems. These
12 problems often continue into adulthood, resulting in
13 greater social and economic costs to society,
14 including increased crime rates, health problems, and
15 negative economic impacts estimated to cost
16 \$500,000,000,000 nationally in lost earnings each
17 year;

1 (3) More and more middle-class Hawaii families living from
2 paycheck to paycheck, especially in these very
3 difficult economic times; and

4 (4) More states are recognizing that reducing poverty by
5 addressing the needs of low- and moderate-income
6 families is a critical economic development issue.
7 Reducing poverty requires strategic, integrated, and
8 comprehensive approaches that create opportunities for
9 families to achieve economic success, including
10 creating quality jobs, providing work support,
11 promoting greater collaboration with the private
12 sector, and implementing targeted tax policies.

13 (b) The purpose of this Act is to:

14 (1) Create a task force to assess current policies and
15 practices, along with evidence-based solutions, used
16 in other states, that promote economic opportunity and
17 poverty reduction; and

18 (2) Develop a strategic, integrated, and comprehensive
19 plan to expand economic opportunities in Hawaii to
20 reduce, by at least fifty per cent by 2021, the number
21 of Hawaii residents, including children and families,
22 living in poverty.

2 context clearly requires otherwise:
