
A BILL FOR AN ACT

RELATING TO ENERGY.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Section 269-141, Hawaii Revised Statutes, is
2 amended by adding a new definition to be appropriately inserted
3 and to read as follows:

4 "Consumer" means a person seeking to make an
5 interconnection to the Hawaii electric system; provided that
6 this definition does not include any business, organization, or
7 other entity."

8 SECTION 2. Chapter 269, Hawaii Revised Statutes, is
9 amended by adding two new sections to part IX to be
10 appropriately designated and to read as follows:

11 "§269- Interconnection study fees. No fee for any
12 interconnection study shall be charged to any consumer seeking
13 to make an interconnection on the Hawaii electric system.

14 §269- Photovoltaic systems of ten kilowatts or less in
15 rated output; interconnection approval. Owners, users, and
16 operators of photovoltaic systems of ten kilowatts or less in
17 rated output seeking interconnection on the Hawaii electric
18 system shall be approved, after any reviews or studies required

1 by the commission, if the total existing or planned cumulative
2 photovoltaic kilowatt output is at or below seventy-five per
3 cent of the circuit's daily minimum load."

4 SECTION 3. New statutory material is underscored.

5 SECTION 4. This Act shall take effect upon its approval.
