18 require, except that:

19 (A) Any property held for school purposes may not be  
20 disposed of without the consent of the  
21 superintendent of education;

- 1 (B) No property bordering the ocean shall be sold or

- 3 (C) All proceeds from the sale of park lands shall be
- 4 expended only for the acquisition of property for

- 9 authority of the attorney general of the State;
- 10 (18) Each county shall have the power to make
- 11 appropriations in amounts deemed appropriate from any
- 12 moneys in the treasury, for the purpose of:

- 15 from time to time visit the county;

- 1           (19) Each county shall have the power to:
- 2                   (A) Construct, purchase, take on lease, lease,  
3                           sublease, or in any other manner acquire, manage,  
4                           maintain, or dispose of buildings for county  
5                           purposes, sewers, sewer systems, pumping  
6                           stations, waterworks, including reservoirs,  
7                           wells, pipelines, and other conduits for  
8                           distributing water to the public, lighting  
9                           plants, and apparatus and appliances for lighting  
10                           streets and public buildings, and manage,  
11                           regulate, and control the same;
- 12                   (B) Regulate and control the location and quality of  
13                           all appliances necessary to the furnishing of  
14                           water, heat, light, power, telephone, and  
15                           telecommunications service to the county;
- 16                   (C) Acquire, regulate, and control any and all  
17                           appliances for the sprinkling and cleaning of the  
18                           streets and the public ways, and for flushing the  
19                           sewers; and
- 20                   (D) Open, close, construct, or maintain county  
21                           highways or charge toll on county highways;  
22                           provided that all revenues received from a toll

2 maintenance of county highways;

3 (20) Each county shall have the power to regulate the  
4 renting, subletting, and rental conditions of property  
5 for places of abode by ordinance;

6 (21) Unless otherwise provided by law, each county shall  
7 have the power to establish by ordinance the order of  
8 succession of county officials in the event of a  
9 military or civil disaster;

10 (22) Each county shall have the power to sue and be sued in  
11 its corporate name;

12 (23) Each county shall have the power to establish and  
13 maintain waterworks and sewer works; to collect rates  
14 for water supplied to consumers and for the use of  
15 sewers; to install water meters whenever deemed  
16 expedient; provided that owners of premises having  
17 vested water rights under existing laws appurtenant to  
18 the premises shall not be charged for the installation  
19 or use of the water meters on the premises; to take  
20 over from the State existing waterworks systems,  
21 including water rights, pipelines, and other

1 appurtenances belonging thereto, and sewer systems,  
2 and to enlarge, develop, and improve the same;

3 (24) (A) Each county may impose civil fines, in addition  
4 to criminal penalties, for any violation of  
5 county ordinances or rules after reasonable  
6 notice and requests to correct or cease the  
7 violation have been made upon the violator. Any  
8 administratively imposed civil fine shall not be  
9 collected until after an opportunity for a  
10 hearing under chapter 91. Any appeal shall be  
11 filed within thirty days from the date of the  
12 final written decision. These proceedings shall  
13 not be a prerequisite for any civil fine or  
14 injunctive relief ordered by the circuit court;

15 (B) Each county by ordinance may provide for the  
16 addition of any unpaid civil fines, ordered by  
17 any court of competent jurisdiction, to any  
18 taxes, fees, or charges, with the exception of  
19 fees or charges for water for residential use and  
20 sewer charges, collected by the county. Each  
21 county by ordinance may also provide for the  
22 addition of any unpaid administratively imposed

1 civil fines, which remain due after all judicial  
2 review rights under section 91-14 are exhausted,  
3 to any taxes, fees, or charges, with the  
4 exception of water for residential use and sewer  
5 charges, collected by the county. The ordinance  
6 shall specify the administrative procedures for  
7 the addition of the unpaid civil fines to the  
8 eligible taxes, fees, or charges and may require  
9 hearings or other proceedings. After addition of  
10 the unpaid civil fines to the taxes, fees, or  
11 charges, the unpaid civil fines shall not become  
12 a part of any taxes, fees, or charges. The  
13 county by ordinance may condition the issuance or  
14 renewal of a license, approval, or permit for  
15 which a fee or charge is assessed, except for  
16 water for residential use and sewer charges, on  
17 payment of the unpaid civil fines. Upon  
18 recordation of a notice of unpaid civil fines in  
19 the bureau of conveyances, the amount of the  
20 civil fines, including any increase in the amount  
21 of the fine which the county may assess, shall  
22 constitute a lien upon all real property or

# H.B. NO. 45

1 rights to real property belonging to any person  
2 liable for the unpaid civil fines. The lien in  
3 favor of the county shall be subordinate to any  
4 lien in favor of any person recorded or  
5 registered prior to the recordation of the notice  
6 of unpaid civil fines and senior to any lien  
7 recorded or registered after the recordation of  
8 the notice. The lien shall continue until the  
9 unpaid civil fines are paid in full or until a  
10 certificate of release or partial release of the  
11 lien, prepared by the county at the owner's  
12 expense, is recorded. The notice of unpaid civil  
13 fines shall state the amount of the fine as of  
14 the date of the notice and maximum permissible  
15 daily increase of the fine. The county shall not  
16 be required to include a social security number,  
17 state general excise taxpayer identification  
18 number, or federal employer identification number  
19 on the notice. Recordation of the notice in the  
20 bureau of conveyances shall be deemed, at such  
21 time, for all purposes and without any further  
22 action, to procure a lien on land registered in

1 land court under chapter 501. After the unpaid  
2 civil fines are added to the taxes, fees, or  
3 charges as specified by county ordinance, the  
4 unpaid civil fines shall be deemed immediately  
5 due, owing, and delinquent and may be collected  
6 in any lawful manner. The procedure for  
7 collection of unpaid civil fines authorized in  
8 this paragraph shall be in addition to any other  
9 procedures for collection available to the State  
10 and county by law or rules of the courts;

11 (C) Each county may impose civil fines upon any  
12 person who places graffiti on any real or  
13 personal property owned, managed, or maintained  
14 by the county. The fine may be up to \$1,000 or  
15 may be equal to the actual cost of having the  
16 damaged property repaired or replaced. The  
17 parent or guardian having custody of a minor who  
18 places graffiti on any real or personal property  
19 owned, managed, or maintained by the county shall  
20 be jointly and severally liable with the minor  
21 for any civil fines imposed hereunder. Any such  
22 fine may be administratively imposed after an

1 opportunity for a hearing under chapter 91, but  
2 such a proceeding shall not be a prerequisite for  
3 any civil fine ordered by any court. As used in  
4 this subparagraph, "graffiti" means any  
5 unauthorized drawing, inscription, figure, or  
6 mark of any type intentionally created by paint,  
7 ink, chalk, dye, or similar substances;

8 (D) At the completion of an appeal in which the  
9 county's enforcement action is affirmed and upon  
10 correction of the violation if requested by the  
11 violator, the case shall be reviewed by the  
12 county agency that imposed the civil fines to  
13 determine the appropriateness of the amount of  
14 the civil fines that accrued while the appeal  
15 proceedings were pending. In its review of the  
16 amount of the accrued fines, the county agency  
17 may consider:

- 18 (i) The nature and egregiousness of the  
19 violation;
- 20 (ii) The duration of the violation;
- 21 (iii) The number of recurring and other similar  
22 violations;

- 1 (iv) Any effort taken by the violator to correct
- 2 the violation;
- 3 (v) The degree of involvement in causing or
- 4 continuing the violation;
- 5 (vi) Reasons for any delay in the completion of
- 6 the appeal; and
- 7 (vii) Other extenuating circumstances.

8 The civil fine that is imposed by administrative  
9 order after this review is completed and the  
10 violation is corrected shall be subject to  
11 judicial review, notwithstanding any provisions  
12 for administrative review in county charters;

13 (E) After completion of a review of the amount of  
14 accrued civil fine by the county agency that  
15 imposed the fine, the amount of the civil fine  
16 determined appropriate, including both the  
17 initial civil fine and any accrued daily civil  
18 fine, shall immediately become due and  
19 collectible following reasonable notice to the  
20 violator. If no review of the accrued civil fine  
21 is requested, the amount of the civil fine, not  
22 to exceed the total accrual of civil fine prior

1 to correcting the violation, shall immediately  
2 become due and collectible following reasonable  
3 notice to the violator, at the completion of all  
4 appeal proceedings;

5 (F) If no county agency exists to conduct appeal  
6 proceedings for a particular civil fine action  
7 taken by the county, then one shall be  
8 established by ordinance before the county shall  
9 impose the civil fine;

10 (25) Any law to the contrary notwithstanding, any county  
11 mayor, by executive order, may exempt donors, provider  
12 agencies, homeless facilities, and any other program  
13 for the homeless under part XVII of chapter 346 from  
14 real property taxes, water and sewer development fees,  
15 rates collected for water supplied to consumers and  
16 for use of sewers, and any other county taxes,  
17 charges, or fees; provided that any county may enact  
18 ordinances to regulate and grant the exemptions  
19 granted by this paragraph;

20 (26) Any county may establish a captive insurance company  
21 pursuant to article 19, chapter 431; [and]

# H.B. NO. 415

1 (27) Each county shall have the power to enact and enforce  
2 ordinances regulating towing operations[-]; and

3 (28) Each county may establish by charter a land management  
4 advisory committee to review rules proposed by the  
5 department of land and natural resources, pursuant to  
6 section 171- ."

7 SECTION 2. Chapter 171, Hawaii Revised Statutes, is  
8 amended by adding a new section to be appropriately designated  
9 and to read as follows:

10 "§171- Approval by land management advisory committee  
11 required. The department shall receive approval from the land  
12 management advisory committee of the effected county, if such  
13 land management advisory committee has been established pursuant  
14 to section 46-1.5, prior to adopting any county specific rule  
15 that affects the use or management of land or nearshore waters  
16 within the county."

17 SECTION 3. Statutory material to be repealed is bracketed  
18 and stricken. New statutory material is underscored.

19 SECTION 4. This Act shall take effect upon its approval.
