MEANS: Amend section 435H-4(b), Hawaii Revised Statutes.

JUSTIFICATION: Act 205, Session Laws of Hawaii 2011, codified as chapter 435H, Hawaii Revised Statutes, established the Hawaii Health Insurance Exchange as a Hawaii nonprofit corporation. The corporation is also known as the Hawaii Health Connector.

Allowing the directors of the named departments to select a designee for specified meetings or meetings will ensure the voting representation that is critical for the successful development and implementation of the Hawaii Health Insurance Exchange.

The implementation of a health insurance exchange is necessary for meeting the requirements of the federal Affordable Health Care Act.
