JUSTIFICATION SHEET

DEPARTMENT: Public Safety.

TITLE: A BILL FOR AN ACT RELATING TO THE HAWAII PAROLING AUTHORITY.

PURPOSE: To allow members of the paroling authority nomination panel to appoint a designee to represent them.

MEANS: Amend section 353-61(a), Hawaii Revised Statutes (HRS).

JUSTIFICATION: The paroling authority nomination panel includes the Chief Justice of the Hawaii Supreme Court, the Director of Public Safety, the President of the Bar Association of Hawaii, and the President of the Hawaii Chapter of the National Social Workers Association. The panel is responsible for vetting the list of applicants, conducting interviews, and submitting not less than three names per vacancy for the Governor's consideration. This work averages three to five full days of meetings, a schedule that is often impractical for person in high level positions. The proposed amendments would allow the Chief Justice, Director, and Presidents to appoint designees to represent them.

Impact on the public: The nomination panel would complete its work in a timelier manner, ensuring vacant parole board positions are filled as soon as practicable.

Impact on the department and other agencies: Executives named in section 353-61(a), HRS, would have the opportunity to determine if it would be more practical to assign a designee in their stead.

GENERAL FUND: None.

OTHER FUNDS: None.
